AN educated blind person is as a rule self-reliant, self-supporting and an inspiration to those with whom he comes in contact.  
An uneducated blind person is a burden to himself and to his friends.

Education is free to every blind boy and girl in the Maritime Provinces and Newfoundland, but this fact is not always known to the parents of such children. Our public-spirited citizens, boys and girls as well as grown-ups, to help forward the work of the School for the Blind at Halifax can best do so by sending to the Superintendent the names, ages and addresses of all blind persons under twenty-one years of age.

Address to C. F. Fraser, Superintendent School for the Blind, Halifax, N. S.
