

## NOTICE TO HOLDERS OF TIMBER LICENSES.

CROWN LAND OFFICE,  
June 6th, 1906.

THE attention of holders of Timber Licenses who desire to peel Hemlock bark the coming season is called to Section 17 of the Regulations in all timber licenses, which is as follows:—

"17. Should any Licensee, either by himself or any one under him, desire to cut and peel Hemlock under his License, it shall be the duty of the said Licensee to notify the Surveyor-General in writing, stating that he or his parties intend peeling Hemlock Bark on certain Licenses, giving the numbers thereof. This notice must be given before the peeling commences. Before any Hemlock is cut or peeled from any License, the Licensee shall furnish the Surveyor-General in writing with the name of each operator, and also with the mark he shall use, and such operator shall be required to distinctly mark, with the mark furnished the Surveyor-General, each and every Hemlock Log that he may cut and peel, in order that the Scaler may be enabled to determine the quantity chargeable to each operator. Failure to comply with this regulation shall cause the Hemlock so cut to be subject to double Stumpage and expenses, and the License shall be thereupon cancelled. In cutting and peeling Hemlock or any other Lumber, the operator is hereby prohibited from cutting any Spruce or Pine Tree for the purpose of skidding, bedding or other similar use, and should any such Spruce or Pine Tree be so cut, each tree shall be reckoned by the Scaler as a merchantable log, and as such charged against the operator."

It is requested that the provisions of this section be strictly observed.
