NOTICE is hereby given, that on and after Monday, the 16th day of May, A. Provided, however, that on or before the said 16th day of May, A. D. 1910, applications for such rights from the owners of the fee in such granted lands or their assigns shall have precedence and will be first considered.

All applications of both classes will be entered from time to time in the order in which they are filed.

Three forms of Applications will be received, namely:

- (c) For 20 Year Leases.

The two former, (a) and (b), to apply to lands that have not been opened up or worked for coal, and the latter, (c), in cases where the applicant can show he has operated sufficiently to entitle him to ask for a 20 Year Lease under Section 92 of the General Mining Act.

Attention is called to the following provisions, which are to be continued, namely: License to Search, requiring a fee of Twenty Dollars with the application, shall be applicable to territories containing not more than Five Square Miles, and shall continue for a period of Eighteen Months.

License to work, requiring a fee of Fifty Dollars, with the application, shall cover One Square Mile, and runs for two years, with a right to renew for one year more at half rates. Twenty Year Mining Leases subject to renewal from time to time with a limit of Eighty Years, requiring a fee of Fifty Dollars per square mile, or any fraction thereof, with the application, shall apply to one square mile or any fraction; provided, however, as heretofore, that where it is shown the Royalty paid to the Receiver General for coal mined under any one such lease is equal to or exceeds such annual rent, the latter will not be exacted.
