In the event of future Surveys made under the directions from this Office, shewing changes in the contents and positions of Blocks as now shewn, the Surveyor General reserves the right to alter the description of any License that may be purchased at this Sale, so as to make the same conform with Blocks as ascertained by such Survey.

All Licenses will be sold subject to the right of the Lieutenant-Governor in Council to increase the mileage on Licenses and the Stumpage on any class of lumber when deemed expedient, in accordance with present Regulations.
