FREDERICTON, N. B., June 19th, 1900.

TO THE PUBLIC OF NEW BRUNSWICK:

I am advised by Mr. Harrison Watson, Curator of the Canadian Section of the Imperial Institute, that if Canadian sea grass can be placed in the London market at a price to compete with the Dutch and other sea grass, there would be a very considerable trade in it. It is not the finest but a medium quality that is required, and a recent quotation is forty-two shillings (\$10 25) per ton of 2240 lbs. F. O. B. Amsterdam.

If there are any Exporters in New Brunswick who would like to investigate the London market Mr. Watson has several enquiries for the material, and if they will send him samples and prices including freight to Liverpool, London, etc., Mr. Watson will take up the question with the Importers there.

His address is:

Imperial Institute,
Imperial Institute Road,
London, S. W.
