Passed 3rd April, 1901.

Be it enacted by the Lieutenant Governor and Legislative Assembly, as follows:—

1. Section 21 of "The New Brunswick Elections Act of 1889," is hereby amended by striking out paragraph (a) and substituting therefor the following:—

(a) Who shall in his own right hold real estate to the value of one hundred dollars, or personal property, or real and personal property together, to the value of four hundred dollars in any electoral district, provided such person is duly registered in the Voters' List for such electoral district, and is at the time of tendering his vote the owner of the real estate or personal property, or real and personal property together as aforesaid in such district, and who is at the time of tendering his vote a resident of and domiciled within such electoral district; provided, however, that in the case of the electoral districts of the City and County of Saint John, a person who, under the law as it stood prior to the passing of this Act, would have been entitled to vote in respect of real estate in the County of Saint John and such person is a resident of the City, or in the case of a person being a resident of the County and who would have been entitled to vote on real estate in the City, shall still be entitled to vote, notwithstanding the foregoing provisions.

2. Whereas there has been no revision of the voters' list of the Town of Grand Falls during the past year, and it is essential that a list should be established, Therefore it is enacted that the portion of the lists prepared by the revisors of the Parishes of Grand Falls and Drummond, containing the names of electors resident within the limits of the Town of Grand Falls, shall be the voting list for said Town of Grand Falls for election to the General Assembly until a proper list of the said Town shall be prepared by the Revisors of said Town.
