79. No Private Bill, or Bill making any amendments of a like nature to a former Act, shall be received by the House, unless a notice specifying clearly and distinctly the nature and objects thereof, has been published four successive weeks previous to the meeting of the Legislature, or to the introduction of the Bill, in some one of the newspapers published in the County interested in or to be affected by the measure, or in the locality where the parties affected, or the majority of them, reside; and when no newspaper is published in such County or locality, then in some newspaper published in the nearest adjoining County in which a newspaper is published, and also in the ROYAL GAZETTE. 81. It shall be the duty of all parties seeking the interference of the Legislature in any private bill, to file, with the Clerk of the House, the evidence or their having complied with the Rules and Standing Orders thereof.

71. No Bill shall be read the second time until it has been printed according to a form to be prescribed by the Clerk of this House, and a sufficient number of copies thereof, folded, and with the title and name of the Member who has introduced the same, and the number of the Bill endorsed thereon, have been distributed for the use of the Members, and the Clerk-Assistant shall have certified accordingly on the Orders of the Day, thus: "Printed," signifying that it has been printed according to this Rule, and distributed.

84. No private bill shall be received unless it shall be certified by the Receiver General upon the bill, or by Certificate annexed thereto, that there has been paid into his hands towards the printing and other contingent expenses of the House, the fees following, namely:—
