(2) A typewritten or printed copy of every Private Bill so to be introduced shall be filed with the Clerk of the House at least three days before the opening of the Session; and in case of failure to comply with this provision, the fee on the introduction of any such Bill shall be double the fee provided for in Rule 84, applicable to such Bill."

79. No Private Bill, or Bill making any amendments of a like nature to a former Act, shall be received by the House, unless a notice specifying clearly and distinctly the nature and objects thereof, has been published four successive weeks previous to the meeting of the Legislature, or to the introduction of the Bill, in some one of the newspapers published in the County interested in or to be affected by the measure, or in the locality where the parties affected, or the majority of them, reside; and when no newspaper is published in such County or locality, then in some newspaper published in the nearest adjoining County in which a newspaper is published, and also in the ROYAL GAZETTE.
