## GOVERNMENT NOTICE.

Provincial Secretary's Office,  
Fredericton, March 1st, 1911.

It has been the custom of some practitioners, in drafting petitions for the incorporation of Joint Stock Companies by Letters Patent, to set forth the objects for which the incorporation is sought, at great and unnecessary length.

Hereafter it will only be necessary to state the said objects in a brief form, as for instance, if the object of the petition is to carry on a Grocery business, it will be sufficient to say "to carry on a general grocery business in all its branches, and to do all things necessary and incidental thereto," and so with reference to any other line of business.

J. K. FLEMMING,  
Provincial Secretary.
