To purchase, lease or otherwise acquire and to sell, mortgage or dispose of lands, buildings, mill privileges, and real estate of all kinds, and to purchase or construct thereon manufactories or saw mills, dwellings, warehouses and buildings of all kinds so far as may be necessary or incidental to the carrying on of the business in the next paragraph set forth.

To prospect, develop, mine, mill, manufacture, produce, buy, sell and otherwise deal in coal and all products of the same, ores, minerals and other metals.

To buy, sell, lease or otherwise obtain or dispose of tools, machinery and all other kinds of personal property necessary or incidental to any of these purposes, including patents, inventions, license under patents or any other interest or right relating to or under any patent or invention.

To purchase and sell timber and manufacture lumber and anything composed in whole or in part of wood.

To manufacture coke and all other by-products resulting therefrom or from the use of such coal. Also to manufacture, mine and sell any articles manufactured in whole or in part therefrom, and especially to operate supply stores and to purchase and deal in merchandise therefrom.

To construct and operate railroads, either steam, gasoline or electrical, for the carriage of passengers or freight in connection with the objects and undertakings herein.

To acquire, own, manage, control and operate water, water rights and water power privileges for mining and manufacturing, including domestic and other uses.

To develop, control, deal in and dispose of electrical and other power for the generation and distribution and supplying of electricity for light, heat and power purposes.

To construct, maintain and operate telegraph and telephone lines and erect poles and other fixtures for such purposes in connection with the objects and undertakings herein and collect tolls for the use of the same, subject to existing laws with respect to the control of highways and the placing of poles and posts and obstructions thereon.

To generate, distribute and supply gas for lighting and heating purposes.

To construct, buy, sell, charter and operate vessels and steamboats and navigate the same for the carriage of freight or passengers on the oceans or on streams or lakes.

To purchase, construct, use, lease and dispose of wharfs, trams, tramways, piers, coal-pockets, chutes, canals, etc., for general mining and navigation purposes in connection with the business of the said Company.

To acquire, hold and dispose of the good-will, leases, licenses and rights to search for, mine, and deal in coal and all products of the same, rights, property and assets of all kinds, of any person, firm, association or corporation doing a similar business, and to undertake the whole or any part of the liabilities of any such person, firm, association or corporation, and to pay for the same in cash, stock, bonds or other securities of this corporation or otherwise.

To purchase, receive, hold and own bonds, mortgages, shares of stock and other securities and obligations, contracts and evidences of indebtedness of any other corporation, public, private, or municipal, and to exercise in respect to the same all the rights, powers and privileges of individual ownership thereof, including the right to vote upon such shares of stock.

To issue bonds and secure the same by pledges or deeds of trust or mortgage of or upon the whole or any part of the property held by the Company, and to sell or pledge the same for proper corporate purposes, subject to the provisions contained in the New Brunswick Joint Stock Companies' Act, by the name of "The Canadian Coal Company, Limited."

To lease, sell or otherwise dispose of the whole or any part of the franchises, undertaking, property and assets of the Company for the bonds, stock or for securities of any other company or corporation, or for any other property or any other consideration.

3. The Head Office or chief place of business of the said Company is to be at Salmon Harbour, in the Parish of Chipman, in the County of Queen's, with permission to hold the annual meetings of the Company, and also to hold special meetings of the Directors and also of the shareholders without the Province.

4. The amount of the capital stock of the proposed Company shall be \$150,000.00, divided into 1,500 shares of \$100.00 each.
