HIS HONOUR the Lieutenant-Governor directs the publication of the following:

DOMINION OF CANADA.

PUBLIC NOTICE.

Ottawa, September 2, 1914.

To all whom it may concern:

It has come to the attention of the Government that many persons of German and Austro-Hungarian nationality who are residents of Canada are apprehensive for their safety at the present time. In particular the suggestion seems to be that they fear some action on the part of the Government which might deprive them of their freedom to hold property or to carry on business. These apprehensions, if they exist, are quite unfounded.

The policy of the Government is embodied in a Proclamation published in The Canada Gazette on 15th August. In accordance with this Proclamation restrictive measures will be taken only in cases where officers, soldiers or reservists of the German Empire or of the Austro-Hungarian Monarchy attempt to leave Canada or where subjects of such nationalities engage or attempt to engage in espionage or acts of a hostile nature, or to give information to or otherwise assist the King's enemies. Even where persons are arrested or detained on the grounds indicated they may be released on signing an undertaking to abstain from acts injurious to the Dominion or the Empire.

The Proclamation, after stating that "there are many persons of German and Austro-Hungarian nationality quietly pursuing their usual avocations in various parts of Canada, and that it is desirable that such persons should be allowed to continue in such avocations without interruption," directs as follows:

"That all persons in Canada of German or Austro-Hungarian nationality, so long as they quietly pursue their ordinary avocations be allowed to continue to enjoy the protection of the law and be accorded the respect and consideration due to peaceful and law-abiding citizens; and that they be not arrested, detained or interfered with, unless there is reasonable ground to believe that they are engaged in espionage, or engaging or attempting to engage in acts of a hostile nature, or are giving or attempting to give information to the enemy, or unless they otherwise contravene any law, order in council or proclamation."

Thus all such persons, so long as they respect the law, are entitled to its protection and have nothing to fear.

2 ins Under Secretary of State for External Affairs.
