## NOTICE OF GRANTING LETTERS PATENT

### "NEW BRUNSWICK METALS, LIMITED."

PUBLIC NOTICE is hereby given, that under "The New Brunswick Joint Stock Companies' Act," Letters Patent have been issued under the seal of the Provincial Secretary-Treasurer, bearing date the fourth day of August, 1915, incorporating Arthur R. Slipp, King's Counsel; Richard E. Hanson, Barrister-at-Law; Charles R. Barry, Student-at-Law; Charles L. Dougherty, Student-at-Law, and L. Mabel Hetherington, Stenographer, all of the City of Fredericton, in the County of York and Province of New Brunswick, for the following purposes, namely:

To carry on the trades or businesses of iron masters, steel makers, steel converters, colliery proprietors, miners, smelters, engineers and iron founders in all their respective branches; to deal in and manufacture iron, steel and all other metals from the ore to the finished products thereof, and also manufacture and deal in all articles, goods, wares, and merchandise in which iron or steel or any other metal is or may be used, and in particular to manufacture and deal in antimony, all products and articles manufactured out of antimony or in the manufacture of which antimony is used, and to manufacture and deal in machinery, appliances and equipment for the manufacture or working of iron, or any other metals, or of products partly or wholly composed of iron or any other metals, and as makers of general machinery, tools and appliances and equipment, and as general, chemical, mining, electrical, metallurgical, electro-chemical, construction, contracting and mechanical engineers and millwrights.

To purchase, lease or otherwise acquire natural gas lands, mines, mining rights, metalliferous lands and timber lands, timber limits and water powers and any interest therein, and to explore, work, exercise or develop and turn to account the same, to search for, get, work, raise, make merchantable and deal in natural gas, timber, iron, coal ores, brick, earth, bricks, cement and other metals, minerals and substances and the products; to buy, sell, manufacture and deal in minerals, plant, machinery, implements, conveniences, provisions and things capable of being used in connection with metallurgical and other operations which the company may carry on or be interested in or required by workmen and others employed by the company; to crush, win, get, quarry, smelt, calcine, refine, dress, amalgamate, manipulate and prepare for market, buy

and sell natural gas, timber, ore, metal and mineral substances of all kinds, and to carry on any other metallurgical operations which may seem conducive to any of the company's objects.

To manufacture, buy, sell, and supply light, heat and power of every kind and description, provided, however, that any sale, distribution of electric, pneumatic or other power or force or gas for the purpose of light, heat or power beyond the lands of the company shall be subject to local and municipal regulations in that behalf; to deal with, manufacture and render saleable any residual products obtained in the manufacture of any articles which the company is authorized to carry on.

To buy, sell, lease, manufacture, repair, convert, alter, let on hire, and otherwise deal in all kinds of plant, machinery, tools, equipment and apparatus, builders and contractors supplies, implements, military, naval and marine equipment and supplies, rolling stock and hardware of all kinds.

To construct, carry out, maintain, improve, contract for, manage, work, control and superintend any plants, metallurgical plants, warehouses, factories and other works and conveniences which may seem directly or indirectly conducive to any of the company's objects, and to contribute to, subsidize or otherwise assist or take part in the construction, carrying out, maintenance, improvement, working, control or superintendence thereof.

To acquire by grant, purchase, license or exchange, and to use and work, or otherwise turn to account, and to sell, assign or otherwise dispose of any patent or patent rights, brevets d'invention, license, secret processes, trade marks, industrial designs or other rights and privileges which may be deemed by the directors desirable for the purposes of the company.

To acquire the benefit of and work and develop any contracts or undertakings which it may be deemed expedient to acquire or adopt for the sale of or agency for any material connected with the trade of the company, whether manufactured or unmanufactured, and to enter into and carry into effect any such contract with respect to the sale, importing or manufacturing of such material as may seem desirable in the interests of the company.

To purchase or otherwise acquire or undertake all or any part of the business, property, assets or liabilities of any person, partnership or company carrying on business with objects similar in whole or in part to those of the company, or possessed of property suitable and proper for the purposes of the company.

To issue paid-up shares, bonds or debentures for the payment either in whole or in part of any property, real or personal, rights, claims, privileges, concessions or other advantages which the company may lawfully acquire, and also to issue such fully paid shares, bonds or other securities in payment, part payment or exchange for the shares, bonds, debentures or other securities of any other company doing a business similar in whole or in part or incidental to the business of this company.

To form, promote and establish any other companies or company with limited liability, having objects similar, or partly similar to those of this company, and to subscribe for and take, acquire, hold, sell and otherwise dispose of shares or debentures, bonds or obligations of any such companies or company, and guarantee the payment of any securities issued by any such company.

To purchase, acquire, hold and own the capital stock, bonds or other securities of any other company, corporation or individual carrying on or engaged in any business which this company is empowered to carry on or engage in, and to acquire, hold or otherwise dispose of such shares, bonds or other securities.

To receive and accept bonds, debentures, shares or other securities in payment or part payment for work done or materials supplied in connection with the business of the company.

To amalgamate with, enter into any arrangement for sharing profits, union of interests, co-operation, joint adventure, reciprocal concession or otherwise, with any person, partnership or company carrying on or engaged in or about to carry on any business or transaction which this company is authorized to engage in or carry on.

To raise and assist in raising money for and to aid by way of bonus, loan, promise, endorsement, guarantee of bonds, debentures or otherwise, securities or otherwise, of any other company or corporation, and to guarantee the performance of contracts by any such person with whom the company may have business relations.

To invest the moneys of the company not immediately required in such manner as may from time to time be determined.

To distribute among the shareholders of the company in kind, any property or assets of the company and in particular any shares, debentures or securities of any other company or companies which may have purchased, taken over or otherwise acquired, either in whole or in part, the property, assets or liabilities of this company.

To sell, lease, exchange or otherwise dispose of the entire undertaking and assets of the company or any part or portion thereof, either at one time or from time to time, as the company may consider expedient and for such consideration and upon such terms and conditions as the company may deem proper; the consideration price may be payable if deemed advisable in whole or in part as the company may determine in shares, bonds, debentures or other securities of any other company or corporation having objects altogether or in part similar to those of the company.

To enter into any arrangement with any governments or authorities supreme, municipal, local or otherwise, that may seem conducive to the company's objects or any of them, and to obtain from any such government or authority any rights, privileges and concessions which it may be desirable to obtain, and to carry out, exercise and comply with or sell and dispose of any such arrangements, rights, privileges and concessions.

To make donations and subscriptions to any object likely to promote the interests of the company and to create and contribute to pension and other funds and schemes for the benefit of persons employed by the company, or the wives,
