BRIDGE NOTICES.

SEALED TENDERS marked "Tender for Moncton Bridge Metal Superstructure," will be received at the Department of Public Works, Fredericton, until WEDNESDAY, 31st day of March, 1915, at noon, for constructing the Metal Superstructure of a New Bridge, to take the place of the present wooden highway bridge at Moncton, over the Petitcodiac River, between the City of Moncton in Westmorland County, N. B., and Parish of Coverdale in Albert County, N. B., consisting of the following:

One through fixed riveted steel truss span of 355 feet from centre to centre of end bearings. Four through fixed riveted steel truss spans of 251 feet 6 inches from centre to centre of end bearings.

According to plans and specifications to be seen at the Public Works Department, Fredericton, N. B.

The site of this work is over a turbulent tidal water with some 30 feet extreme rise and fall, so tenderers are particularly requested to examine the location of the work before tendering.

Each tender must be accompanied by a Certified Bank Cheque or Cash for an amount equal to five per cent. of a grand total amount, made up as follows: 2,420,000 lbs. of metal superstructure at the tendered rate per pound; plus the tendered lump sum for the roadway floor construction complete, embracing reinforced concrete base, concrete side curbs and creosoted wood block paving; plus the tendered lump sum for the construction complete of the wooden floor plank surface over the sidewalk. Such Certified Bank Cheque or Cash will be returned to the parties whose tenders are not accepted, but with the party to whom the contract is awarded, it shall be retained until the final completion of the Contract and its acceptance by the Department. Not obliged to accept lowest or any tender.

Department of Public Works, Fredericton, N. B., Feb. 18th, 1915.

JOHN MORRISSEY,

Minister of Public Works.
