## NOTICE

### YOUR DUTY TO THE FIGHTING MEN.

ON the shell-torn fields of Flanders; amid the ruins of devastated France; upon the submarine-infested water and among the storm clouds of the sky, men from Canada are doing their duty.

They are doing it willingly, cheerfully. They are sacrificing the joys of home, the companionship of those they love most dearly, denying themselves all comfort, foregoing all thought of material prosperity, laying down their priceless lives—all this so that you may live your life in peace and security and that your hearth and home may remain inviolate.

Your duty—you who are not fighting—is simple. Dedicate your money to the cause of Victory, by buying Canada's Victory Bonds to the limit of your ability.

Canada must borrow—your duty is to lend—to make your money fight.
