**BOARD OF EDUCATION****PROPOSITIONS RE CO-OPERATION OF PUPILS FOR INCREASED PRODUCTION****Approved by Board of Education.**

1. That with the approval of the local School Board, all pupils in good standing May 1st, 1917, who, with the consent of their parents, shall volunteer to aid in the work of increased production, shall be allowed their standing for the present school year without further attendance at school, upon the certificate of the local committee that their work on the above behalf has been satisfactory.

2. The local committees shall consist of three members each and shall be organized by the inspectors of Schools for their Inspectorial Districts in one or more of the most populous or central places in each county, and shall consist of the Chairman or some member of the School Board designated by him, or appointed by the Board, the Secretary of the Board of Trade, Women's Institute or Agricultural Society, in the order named, if one or more of these organizations exist in any local centre, and the Inspector of Schools.

3. The Inspector of Schools shall apportion the territory to be under the control of each local committee, which shall organize itself into a bureau to receive applications from volunteer pupils, and from all parties desiring their services, and which shall distribute the available labor according to their discretion.

It is understood that volunteers shall not be at liberty to change work or employers without the consent of the Chairman of the local committee. Failing to comply with this condition will entail forfeiture of certificate upon which their year's standing depends.

4. Any conditions or difficulties arising in the matter of administration of the above propositions, and not covered by them, shall be dealt with by the Local Committee, any two of which, the Chairman being one, shall be a quorum.

5. There shall be allowed the sum of twenty-five dollars (\$25.00) by the Province in aid of clerical work of each local committee.

All pupils willing to volunteer for service under the above conditions, and in accordance with the regulations of the local committees, should send their names either to the School Inspector for the district, or the Secretary of the local committee.

The School Inspectors will be relieved from their regular duties to assist in organizing and to aid in stimulating increased production.

During the summer vacation, Director Peacock will organize the Household Science teachers of the Province to instruct and give demonstrations in as wide an area as may be reached, in canning and the prevention of waste.

W. S. CARTER,

Chief Superintendent of Education,  
Education Office, Fredericton N. B.,  
May 7th, 1917.
