**NOTICE**

Post Office Department, Canada.

Ottawa, Canada, March 6th, 1918.

The German Authorities have issued a memorandum to the effect that parcels for Prisoners of War interned in Germany must be addressed to the "parent" (or main) camps to which the prisoners belong, and must not bear the names of any branch or working camps or of any other place to which the prisoner might be detailed for special services.

The memorandum states that prisoners who have been detailed for services outside the "parent" camps have been enjoined by the German Authorities from the very first to inform in this sense any relations or other persons from whom they expect to receive postal parcels. Parcels for prisoners of war in hospitals also come within the meaning of these regulations.

In the interests of the prisoners it is therefore essential that these regulations should be strictly adhered to, as otherwise the German Authorities will not deliver the parcels to the prisoners of war for which they are intended, and it is suggested that persons in Canada when writing to prisoners in Germany should ascertain definitely the name of the "parent" (or main) camp, so that they can comply with the regulations of the German Authorities in addressing parcels to prisoners.

R. M. COULTER,  
Deputy Postmaster General.
