CANADA.

PROVINCE OF NEW BRUNSWICK

GEORGE THE FIFTH, by the Grace of God of the United Kingdom of Great Britain and Ireland, and of the British Dominions beyond the Seas, KING, Defender of the Faith, Emperor of India.

WILLIAM PUGSLEY

To All to Whom These Presents Shall Come, or Whom the Same may Concern — Greeting:

PROCLAMATION

WHEREAS, it has been made clear that an adequate supply of foodstuffs to Great Britain and her Allies is now one of the most critical and essential problems in connection with carrying the war to a triumph;

And Whereas, Our Province of New Brunswick, by virtue of its geographical situation in comparative proximity to the Motherland, occupies a position of special responsibility and opportunity.

And Whereas, the season approaches which shall determine for another year the amount of foodstuffs which this Province shall produce.

We, therefore, believing it to be the aspiration of our people to discharge every responsibility as in the past, and confident of their willingness to take advantage of the opportunity involved, to the end that the cause of righteousness for which we struggle may be advanced, have thought fit, by and with the advice of our Executive Council for our Province of New Brunswick, to appoint, and do hereby appoint a week of Dedication and Preparation for the period of production approaching, beginning on the fifteenth April instant.

And we do hereby urge and request that the County Council of each and every County of Our Province of New Brunswick be convened in special Session on Saturday, the thirteenth April instant, to consider ways and means to stimulate or assist in the maximum production of essential foodstuffs in the respective Counties.

And We do hereby further urge and request that each and every Clergyman in Our Province of New Brunswick shall, from his pulpit on Sunday, the fourteenth of April instant, set forth the facts of the food situation as it affects the Allied cause, emphasizing the responsibility resting on this favored land, and invoking the blessing of Almighty God on the human efforts put forth towards production, that they may be blessed by Him who alone giveth the increase.

And We do hereby still further urge and request the careful consideration and patriotic co-operation of all Our people in the matters herein set forth.

All of which premises all Our loving subjects and all others whom it doth or may in anywise concern, are hereby required to take notice and govern themselves accordingly.

In Testimony Whereof We have caused these Our Letters to be made Patent, and the Great Seal of Our Province of New Brunswick to be hereunto affixed.

Witness, His Honour William Pugsley, B. C. L., K. C., One of Our Privy Council for Canada, Lieutenant-Governor of Our Province of New Brunswick, this second day of April, in the year of our Lord, one thousand nine hundred and eighteen, and in the eighth year of Our Reign.

By Command,

ROBERT MURRAY,
