5. All the lumber cut under this License shall be scaled or taken account of in the usual or customary method of scaling and taking account of lumber for stumpage by some person or persons to be appointed by the Minister of Lands and Mines, to be hereafter termed scalers, who shall return to the Minister of Lands and Mines the quantity cut under this License. The scaler and his assistants are to be boarded and lodged at the expense of the said Licensee, and should such Licensee refuse to board and lodge such scaler or assistants, he or they to report the same to the Minister of Lands and Mines, who may thereupon take such means as he sees fit to provide the said scaler and his assistants with board and lodgings, and the expense thereof shall be paid by the Licensee and shall, until paid, remain a charge and lien upon all lumber so cut under this License.

6. All Licensees shall, when required, furnish through themselves, their agents and foremen, to such agent or agents as the Minister of Lands and Mines may appoint for that purpose, and at such time and place as such agent or agents may require, satisfactory proof, upon oath, as to the exact locality where all the saw logs, timber trees and other lumber, as provided by this License, in his or their possession, were cut, with the mark or marks thereof, giving the number of pieces and description of saw-logs, timber, trees and other lumber, cut by themselves and others to their knowledge, upon each of the timber berths held or occupied by him or them respectively, designating what quantity, if any, has been cut on any other lands, describing the same, exhibiting at the same time for the inspection of such agent or agents, if required, the books of accounts and measurement of such logs, timber and other lumber under his or their control respectively, and shall, moreover, furnish such agent or agents all required information and facilities to enable him or them to arrive at a satisfactory determination as to the quantity and description of such saw-logs, timber, trees and other lumber made by him or them, or held in his or their possession respectively, on which Government dues are chargeable, and in the event of such agent or agents deeming it expedient to cause such saw-logs, timber and other lumber to be counted or measured, such Licensee or occupier of timber berths and his or their agents or foremen, shall, if required, aid and assist in such count or measurement. Where parties cutting under pretence of this License are cutting on granted or private lands as well, parties so cutting shall have two separate and distinct brows, and shall brow what lumber is cut from Licensed Crown Lands in one brow, and what lumber is cut from granted lands in the other brow, and shall mark such logs coming from the Crown Lands with a separate and distinct mark from those coming from granted lands. In the event of the Licensee, or any operator under him, claiming that the Government scaler has not reported a correct amount of lumber as cut from Crown Lands, it shall be incumbent on the Licensee, or any operator under him, to furnish the Minister of Lands and Mines with a sworn statement as to the total quantity of lumber cut, and also of the quantity cut from granted lands. Should such Licensee or occupier, or his or their agents, fail to comply with these conditions, on notice in writing signed by the Minister of Lands and Mines, or the Deputy Minister of Lands and Mines, and delivered to said Licensee or his assignee personally, or mailed to his address, such Licensee shall forfeit all right to his License and the berth and limits shall become vacant.

7. All applications for Timber Licenses on vacant Crown Lands shall be made by petition, which shall describe the situation thereof, and specify the number of square miles required by the applicant. No petition to be for more than ten nor less than two square miles. Only one application to be received by the Minister of Lands and Mines for the same ground.

8. Every applicant for Timber Licenses on filing his petition, shall deposit with the Provincial Treasurer the sum of twenty dollars upon each square mile applied for; and should the party so depositing become the purchaser at auction, such deposit shall be applied toward the payment of the purchase money; and in case the ground so applied for shall not be purchased at the time advertised for the sale thereof, the deposit so made shall be forfeited; and in case any other person shall become the purchaser and comply with the terms of sale, the amount so deposited shall be forthwith refunded to the party who may have paid the same.

9. All berths applied for shall, if vacant, be advertised in the Royal Gazette, and at least fourteen days' notice of sale given, and unless the whole of the purchase money be paid by the purchaser to the Provincial Treasurer at the time of the sale, such sale shall be void, and the ground shall be forthwith put up again for competition between any other parties, the upset price being in all cases twenty dollars per square mile; and every License for a timber berth shall expire on the first day of the month of August next ensuing after the issue of such License, but subject to renewal as stated in Chapter 11, 3 George V., 1913.

10. All expenses of the survey of the Timber Berth described in any Timber License, to be borne by the Licensee, and should the Minister of Lands and Mines deem it necessary that the bounds of this License should be determined, the Licensee shall employ at his own expense a Deputy Land Surveyor to make such survey, and failure to do so on the request of the Minister of Lands and Mines shall cause the License to be cancelled. Before any survey of this License is made, the Licensee shall obtain from the Minister of Lands and Mines an order to some duly deputized Crown Land Surveyor to survey such License, and no survey of any License shall be made without such order, and such survey must be made in strict accordance with such instructions as may be given by the Minister of Lands and Mines. Immediately after the completion of such survey, the Deputy Crown Land Surveyor employed shall file in the office of the Minister of Lands and Mines a complete plan of such survey, with all necessary field notes of same.

11. All logs, timber, trees or other lumber as aforesaid cut upon unlicensed Crown Lands, or which may be cut by any person beyond the limits of his own berth, shall be seized and forfeited to the use of the Crown, or a penalty charged at the rate of seven dollars and fifty cents per M, superficial feet. Until it shall have been purchased at public auction no timber or lumber shall be cut on any berth applied for.

12. Licenses may be assigned by writing signed by the Licensee, his Executors and Administrators, and the Assignor shall, within reasonable time, give notice of such assignment and its date to the Minister of Lands and Mines. The assignment shall take effect from the date upon which notice thereof shall be received at the Crown Land Office, unless the Minister of Lands and Mines, within ten days thereafter, refuse his assent thereto. The fee for making such assignment shall be four dollars per square mile, and shall be paid to the Provincial Treasurer before such transfer is noted in the Crown Land Office.
