HIS HONOUR the Lieutenant-Governor has been pleased to order that the following directions with respect to the Public Health Act be given:

Inasmuch as it is impracticable, until the Bureau of Health and the various sub-district Boards of Health constituted under the Public Health Act of 1918 be duly appointed and organized for certain public services heretofore administered and maintained by other authority, but which the said Public Health Act includes in its administration to be maintained, it is directed by the Lieutenant-Governor-in-Council that such services be continued as heretofore until said Bureau be duly appointed and organized. Provided, that as said Boards are duly appointed and organized, each shall take over such said services as may be maintained in such Board's District.

ROBERT MURRAY.

Provincial Secretary's Office,
Fredericton, 2nd October, 1918.

HIS HONOUR the Lieutenant Governor has been pleased to approve of the following Orders and Regulations:

ORDERS AND REGULATIONS OF THE DEPARTMENT OF PUBLIC HEALTH OF NEW BRUNSWICK, BY THE MINISTER OF HEALTH.

DUTIES OF THE BUREAU OFFICERS

The Chief Medical Officer

1. The Chief Medical Officer shall be a duly qualified physician of the Province and shall possess a degree or diploma in Public Health from a reputable University or College.

2. He shall permanently reside in the City of Fredericton and shall have the supervision and direction in general of all matters pertaining to (a) epidemic disease and epidemics; (b) the regulation and prevention of Tuberculosis, Tuberculosis Hospitals, means for the education of the Public looking towards the avoidance of Tuberculosis such as Tuberculosis Clinics, dispensaries, voluntary associations for the prevention of the disease and to all other matters which may be conducive to its control and elimination. He shall have direction of all regulations for the control of venereal disease and generally have supervision over the means of control of all notifiable diseases throughout the Province.

3. He shall be a general inspector of all hospitals, public and private, and all other institutions for the care of the sick, the aged or the infirm in the province and shall at any time furnish the Lieutenant-Governor-in-Council or Minister with such reports and recommendations consequent upon such reports as may be demanded of him, or without such demand as he shall deem expedient to submit.

4. He shall have in his general charge the medical inspection of schools and a general supervision of such Medical Inspectors.

5. He shall have power upon what he deems proper occasion to direct the activities of the various District Medical Health Officers and to suspend any of them in cases of what he may deem grave dereliction of duty, incompetence, disobedience of orders or neglect, until such cases shall have been passed upon by the Minister or Lieutenant-Governor-in-Council.

6. He shall have power to suspend sub-district Boards of Health upon like cause and for a like time and to recommend to the Lieutenant-Governor-in-Council, upon grave occasion the dis-establishment of such Boards.

7. He shall in general, under the Minister, have direction and control of the administration of the Public Health Laws of the Province and all regulations, both general and local, made thereunder, except those things specifically placed under the like guidance and control of the Chief Health Officer and in the absence of the latter, he shall assume his duties.

8. He shall annually, at least ten days before the opening of the regular session of the Legislature of New Brunswick, present to the Minister as full and complete a report as may be of the sanitary conditions of the Province during the preceding year ending on October 31st, which report shall embrace all the practical facts relating to the vital statistics of the Province, a complete return, so far as may be, of the medical school inspection, the sub-district Boards of Health, reports to the Minister, in full or in synopsis, together with such recommendations as he may deem expedient for the further improvement and efficiency of the administration of the Public Health Laws and Regulations of the Province, and for the amendment of such laws and regulations.

The Chief Health Officer

9. The Chief Health Officer shall have his residence in the City of Fredericton and shall have the direction and control of the collection and collation of the vital statistics of the Province and shall be responsible for the efficient nature of this work.

10. He shall conduct the publicity work of the Department of Public Health, that is to say, the advisement and informing of the public respecting hygienic, sanitary and public health matters through the public press, reports and brochures for popular distribution, lectures and other proper means which he may deem expedient.

11. He shall in collaboration, when necessary, with the Chief Medical Officer and with the approval of the Minister, formulate necessary proposed amendments to the Public Health Laws and Regulations of the Province.

12. He shall have the superintendence and general control of the installation and maintenance of all systems of water supply and sewerage and drainage, including plumbing, throughout the Province, under the Minister. He shall advise the Minister relative to all questions relating to these matters, and shall have the supervision and direction of the licensing of plumbers.

13. He shall control the administration of all laws and regulations relative to housing, except as provided for in section 32 of the Public Health Act of 1918, the inspection of milk and other food products and shall exercise a general control
