NOTICE

Mr. R. W. Tufts, of Wolfville, Nova Scotia, has recently been appointed by the Civil Service Commission to the position of Game Officer in charge of the administration of the Migratory Birds' Convention Act in the Maritime Provinces.

Under this Act the open seasons for migratory game birds are limited to a period of three and one-half months, and insectivorous birds and many birds, other than game birds, are protected throughout the year. In addition, many of the species of shore birds and the elder ducks are protected throughout the year.

Any person having these protected birds in their possession is liable to a heavy penalty, and any equipment used in capturing them illegally may be confiscated.

As Mr. Tufts will be supported by an able staff of deputy officers, any person who goes afield with a gun should be sure of the provisions of this Federal law.

The Migratory Birds' Convention Act is administered for all Canada by the Dominion Parks Branch of the Department of the Interior, and further information may be obtained by addressing the Commissioner of that branch at Ottawa.
