GOVERNMENT NOTICES

THE Honourable the Attorney General reports for the information of the Committee of the Executive Council:

That under and by virtue of Section 8 of Chapter 53 of the Acts of the Legislative Assembly, 9 George V., 1919, entitled "An Act to Amend the 'Intoxicating Liquor Act, 1916,'" the Lieutenant-Governor-in-Council is authorized to make rules and regulations respecting the sale of extracts, essences and tinctures.

The Honourable the Attorney General now recommends that the following rules and regulations be made as provided by said section of said Act:

1. Before any manufacturer, wholesale merchant, or

broker shall manufacture, compound, purchase, receive, keep for sale or sell any tincture, essence or extract of ginger or any essence, tincture, or extract of lemon, or vanilla, or any other essence, tincture, extract, compound or preparation commonly known as flavoring extract, or essence, containing alcohol, such manufacturer, wholesale merchant or broker shall first notify in writing the Chief Inspector of such intention to so manufacture, compound, purchase, receive, keep for sale or sell such essence, tincture, extract or flavoring extracts by mailing such notice in a registered letter prepaid, addressed to the Chief Inspector at Fredericton, N. B.

2. No essence, extract, tincture, compound or preparation of ginger, lemon, vanilla or any other essence, extract, tincture, compound or preparation commonly known or described as flavoring extract or essence containing alcohol shall be sold except in bottles or containers containing not more than two and one-half ounces, and a record of every sale of the same shall be kept by the person who sells the same, in a book provided for that purpose, which shall show the name and address of every person to whom any such article is sold, the date of the sale and quantity sold, and this record shall be open to the inspection of any Inspector, and a true copy thereof under oath shall be supplied to such Inspector, or any Inspector forthwith on demand by the proprietor of the business upon whose premises such sale has been made.

(a) Provided, however, that nothing herein contained shall prevent the sale of any such essence, extract, tincture or flavoring extract in a bottle or container containing more than two and one-half ounces, to a druggist or a manufacturer of confectionery or other similar commodity, or to a person in any trade or business in which any such article is commonly used for legitimate purposes, or to any public institution, or to dealers for resale to any of the persons mentioned in this proviso, but all such sales shall be recorded in a book as above mentioned, by the person selling the same, and in all other respects the provisions of this section shall apply thereto. And further provided, that every person so selling the same shall have reasonable grounds to believe that such sale is for legitimate purpose.

(b) The foregoing provisions of Sections 1 and 2 shall not apply to any preparations containing less than 2 per cent of proof spirits.

3. No peddler or transient trader shall sell or dispose of any tincture, essence or extract mentioned in the preceding section.

4. Nothing herein contained shall authorize in any way the sale of any such essence, tincture or extract for beverage purposes.

5. Not more than two and one-half ounces of any one of the commodities above mentioned shall be sold by any retailer to any one person on the same day, except as hereinbefore provided.

6. Any person, firm or corporation, his or its clerk, servant or agent, who shall sell any of the said commodities for beverage purposes, shall be guilty of an offence against the Intoxicating Liquor Act, 1916 and liable to the penalties imposed by the said Act.

7. Any violation of any of the other provisions of this
