BY AUTHORITY

FREDERICTON, April 16th, 1921.

This day at 1 o'clock A. M., His Honour William Pugsley, D. C. L., LL. D., K. C., P. C. Lieutenant-Governor of the Province of New Brunswick, came to the Assembly Chamber, and being seated on the Throne, after assenting to the several Bills passed during the Session, was pleased to close the Session with the following

SPEECH

Mr. Speaker and Gentlemen of the Legislative Assembly:

In bringing the present session to a close and relieving you from further attendance, I desire to express my appreciation of the diligent attention which you have given to the discharge of your legislative duties.

In addition to the many acts of a private and local character which have been passed, you have been asked by my Government to consider much important legislation and measures for the prosperity and good government of the Province. Included in these are: An Act for the Prevention and Suppression of Fires, An Act which will provide assistance in the way of loans to Normal School Students to assist them to enter the Teaching Profession, Acts to further perfect Highway Legislation, and to amend The Motor Vehicle Act so as to insure greater safety of traffic upon the public roads. An Act relating to partnership, and also An Act to Consolidate and Amend the Law Relating to County Courts; also a new Game Act, intended to give greater protection to the game and fur-bearing animals of the Province.

I thank you for the liberal provision which you have made for the several important services of the Province.

The passage of important resolutions, one of which will authorize the Dominion Government to take a referendum on the question of the importation of liquor from other provinces, another looking toward the acquisition by the Dominion Government of the Saint John and Quebec Railway, and another with reference to railway freight rates on the Dominion Government Railways in the Maritime Provinces, will, I hope, have very beneficial results.

I now relieve you from your Legislative duties, and in bringing this Session of the Legislature to a close, permit me to extend to all of you my earnest wish for your individual prosperity and happiness.
