LOANS TO TEACHERS

THE Board of Education of the Province of New Brunswick, beginning September, 1921, will loan money to students who possess the necessary academic standing for admission, and who require financial assistance to enable them to complete the Normal School Courses.

The maximum amount loaned to any student will be Four Hundred Dollars (\$400), which will be advanced at the rate of Fifty Dollars (\$50) per month during eight (8) months, beginning September 15 in each year.

The loan will be repayable over three (3) years (half-yearly) with interest, the first payment to be made six (6) months after graduation.

A condition will be imposed upon those who take advantage of the loan, that they agree to teach in New Brunswick for three years and until such time as the loan is repaid.

Further information may be obtained by applying to the Education Office, Fredericton, N. B.

TRUSTEES' CONVENTION.

The attention of School Boards and ratepayers is again directed to the following:

Section 45 of Chapter 50 is hereby amended by making said Section, sub-section (1) thereof and adding the following as sub-section (2) of said Section:

"(2) The School District may elect annually and provide for the payment of the expenses of one or more representatives of the District to County or Provincial Teachers' or Trustees' Institutes; in cities or incorporated towns to which Section 105 applies, such delegates may

be appointed annually and their expenses provided for by the Trustees at any regular monthly meeting."

A convention of School Trustees and School Officers will be held in Fredericton either in the Autumn of 1921 or the Winter of 1922, as a preference of those interested may be expressed.

The number of delegates to be elected by School Districts or appointed by Trustees is not limited for the first meeting and membership will be determined by the convention, for future meetings, as well as all other matters requiring adjustment.

At the first meeting the Chief Superintendent of Education will call the meeting to order, arrange for a short programme and if possible have present an expert trustee from the West, where such conferences have been held for some years.

Delegates are requested to notify the Chief Superintendent of their election or appointment and to indicate their preference as to the time of meeting.

The first meeting will probably last for two days.
