

marks so to be used shall be furnished to the Deputy Minister of Lands and Mines in each year, before the operation is commenced; otherwise any sleepers or ties cut by any operator shall be subject to a stumpage of 25 cents each.

18. Any person indebted to the Crown Land Department for any sums as stumpage dues shall be debarred from making any application for a Timber License, from bidding on the sale of any Timber License, or from having any Timber License issued to him by transfer or otherwise.

19. The saw will be used in felling trees and in cutting them into log lengths. If any logs are cut down with an axe their length for scaling shall be from point to point of scarf, being the extreme length of the log. Six inches will be the maximum allowance for trimming, but if exceeded the scaler will include in his scale the next foot above in length. A penalty of \$10 per M will be charged on spruce and pine used as skids in the building of roads, bridges, etc., where other species are available, also all lodged trees left in the woods. The lower limbs of every fallen tree shall be lopped off, so that the top will lie flat on the ground to rot.

20. No portable saw mill will be set up on Crown Land without first obtaining a License from the Crown Land Department.

21. This License to be subject to "The Manufacturing Condition," as authorized by Section 1 of Schedule "A" of Chapter X, 1 George V., as amended by Chapter 20, 8 George V., 1918.

22. Any logs cut and delivered in a stream or lake where they are liable to float down before being scaled by the Government Scaler, to be subject to a penalty of double stumpage.

C. W. ROBINSON,  
Minister of Lands and Mines.
