78. No Private Bill, or Bill making an amendment of a like nature to a former Act, shall be received by the House unless a notice specifying clearly and distinctly the nature and objects thereof, has been published four successive weeks previous to the meeting of the Legislature, or to the introduction of the Bill in some one of the newspapers published in the County, interested in or to be affected by the measure, or in the locality where the parties affected, or the majority of them reside; and when no newspaper is published in such county or locality, then in some newspaper having general circulation in such County or locality, and also in the Royal Gazette. 81. It shall be the duty of all parties seeking the interference of the Legislature in any Private Bill, to file with the Clerk of this House the evidence of their having complied with the Rules and Standing Orders thereof.

82. In default of such proof or evidence being so furnished, it shall be the duty of the Clerk to report to Mr. Speaker, or the House, and to indorse upon the Bill that the Rules and Standing Orders have not been complied with.

83. No Private or Local Bill shall be received unless it shall be certified by the Deputy Provincial Treasurer upon the Bill, or by certificate annexed thereto, that there has been received into the Provincial Treasury towards the printing and other contingent expenses of the House, the following:
