To distribute any of the property of the company in specie, and either by way of dividends or upon any return of capital among the members of any class or classes of members or any of the individual members of the company.

To invest and deal with the moneys of the company, not immediately required, in such manner as may from time to time be determined.

To remunerate any person or company for services rendered or to be rendered in placing or assisting to place, or guaranteeing the placing of any of the shares in the company's capital or any debentures, debenture stock or other securities of the company, or in or about the formation or promotion of the company or the conduct of its business.

To pay out of the capital of the company the costs of the organization thereof.

To carry on any other business (whether manufacturing or otherwise) which may seem to the company capable of being conveniently carried on in connection with its business or calculated directly or indirectly to enhance the value of or render profitable any of the company's property or rights.

To acquire or undertake the whole or any part of the business, property and liabilities of any person or company carrying on any business which the company is authorized to carry on, or possessed of

property suitable for the purposes of the company.

To apply for, purchase or otherwise acquire any patents, licenses, concessions and the like, conferring any exclusive or non-exclusive or limited right to use, or any secret or other information as to any invention which may seem capable of being used for any of the purposes of the company, or the acquisition of which may seem calculated directly or indirectly to benefit the company, and to use, exercise, develop or grant licenses in respect of, or otherwise turn to account the property, rights or information so acquired.

To enter into partnership or into any arrangement for sharing of profits, union of interests, co-operation, joint adventure, reciprocal concession or otherwise, with any person or company carrying on or engaged in or about to carry on or engage in any business or transaction which the company is authorized to carry on or engage in, or any business or transaction capable of being conducted so as directly or indirectly to benefit the company.

To lend money to, guarantee the contracts of, or otherwise assist any such person or company, and to take or otherwise acquire shares and securities of any such company, and to sell, hold, re-issue with or without guarantee, or otherwise deal with the same.

To take or otherwise acquire and hold shares in any other company having objects altogether or in part similar to those of the company or carrying on any business capable of being conducted so as directly or indirectly to benefit the company.

To enter into any arrangements with any authorities, municipal, local or otherwise, that may seem conducive to the company's objects, or any of them, and obtain from any such authority any rights, privileges and concessions which the company may think it desirable to obtain, and to carry out, exercise and comply with any such arrangements, rights, privileges and concessions.

To purchase, take on lease or in exchange, hire or otherwise acquire, any personal property and any rights or privileges which the company may think necessary or convenient for the purposes of its business and in particular any machinery, plant, stock-in-trade.

To construct, improve, maintain, work, manage, carry out or control any roads, ways, branches or sidings, bridges, reservoirs, water-courses, wharves, manufacturing, warehouses, electric works, shops, stores and other works and conveniences which may seem calculated directly or indirectly to advance the company's interests, and to contribute to, sub-subsidize or otherwise assist or take part in the construction, improvement, maintenance, working management, carrying out or control thereof.

To lend money to customers and others having dealings with the company and to guarantee the performance of contracts by any such persons.

To draw, make, accept, endorse, execute and issue promissory notes, bills of exchange, bills of lading, warrants and other negotiable or transferable instruments.

To sell or dispose of the undertaking of the company or any part thereof for such consideration as the company may think fit, and in particular for shares, debentures or securities of any other company having objects altogether or in part similar to those of the company.

To apply for, secure, acquire by assignment, transfer, purchase or otherwise, and to exercise, carry out and enjoy any charter, license, power, authority, franchise, concession, rights or privileges, which any government or authority or any corporation or other public body may be empowered to grant and to pay for, aid in and contribute towards carrying the same into effect, and to appropriate any of the company's shares, bonds and assets to defray the necessary costs, charges and expenses thereof.

To procure the company to be registered and recognized in any foreign country and to designate persons therein according to the laws of such foreign country to represent this company and to accept service for and on behalf of the company of any process or suit.

To raise and assist in raising money for, and to aid, by way of bonus, loan, promise, endorsement, guarantee of bonds, debentures or other securities or otherwise, any other company or corporation with whom the company may have business.
