SUPPLEMENTARY LETTERS

"SHIVES LUMBER COMPANY (LIMITED)".

PUBLIC NOTICE is hereby given that under "The New Brunswick Companies' Act, 1916", and amending Acts, Supplementary Letters Patent have been issued under the seal of the Provincial Secretary-Treasurer of the Province of New Brunswick, bearing date the Twentieth day of June, A. D. 1922, whereby the name of "Shives Lumber Company (Limited)" has been changed to Stetson, Cutler & Company, Limited, and the capital stock of the Company increased as follows:

The present authorized capital stock of the Company consisting of 7500 common shares of the par value of \$100 each, be converted into 150,000 common shares without nominal or par value, and that the capital stock of the Company be increased by the creation of 100,000 additional common shares without nominal or par value, making the total authorized capital stock of the company 250,000 shares of no nominal or par value and that the 100,000 additional shares of no nominal or par value be allotted and issued to the firm of Stetson, Cutler & Company, of Boston, Mass., New York, N. Y., U.S.A., and St. John, N. B. Canada, in consideration of the transfer and conveyance to the Company of the properties real, personal and mixed, of said firm, together with its undertaking and business as a going concern, this Company to assume all the liabilities of said firm.

That the amount of capital with which the Company shall carry on business shall be \$1,250,000, represented by said 250,000 shares without nominal or par value.

That the powers of the Company shall be amended and varied in accordance with the following terms:

To acquire and take over all the property and assets real, personal or mixed of the partnership firm of Stetson, Cutler & Company consisting of the following members or co-partners, George C. Cutler, John L. Cutler and Frederick B. Cutler, including the assets and liabilities of the said partnership firm of every name and nature except shares of stock of this Company owned by said partnership firm.

To adopt and carry into effect with or without modification a certain agreement dated the 19th day of June 1922 between the said partnership firm of the First Part and this Company of the Second Part, whereby the said firm agrees to convey to the company its entire property and assets real, personal or mixed except shares of this company including its undertakings and business as a going concern and the company agrees to assume all the debts, liabilities, contracts, engagements and obligations of every name and nature of the said firm and to allot and issue to said firm in consideration for its said property 100,000 shares

of the capital stock of the company without nominal or par value, a copy of which agreement has been filed with the Provincial Secretary-Treasurer for the Province of New Brunswick.

To construct, erect, establish or otherwise acquire, own, maintain, operate and manage mills and factories for the manufacture and production of timber, lumber, pulpwood, pulp, paper, cardboard, paper materials, and any and all ingredients or compounds thereof and any and all articles, substances and products capable of being manufactured or made from the products of the forests or from any of the aforesaid materials or used or useful in connection therewith, and to manufacture, purchase or otherwise acquire, deal in and sell, all the said articles and materials and all or any other substances, products or by-products thereof, and generally to carry on the business of producing, manufacturing and dealing in lumber, pulp and paper in all its branches and to do all matters and things incidental to the carrying on of such business.

To carry on the business of fishing in all its branches, including catching, purchasing, curing, treating, canning, packing and dealing in fish and oils and other by-products thereof.

To acquire by purchase, lease, concession, license, exchange or other legal title and to sell, lease and deal in, timber, licenses, timber lands and limits, wood lots, standing timber, cut timber, water powers, water lots, real estate, rights of way and such other immovable and mixed property or rights and privileges as the company may think necessary, useful or convenient for the purpose of its business.

To erect, build or otherwise, acquire, manage, maintain, operate, lease, let, sell and alienate all such buildings, stores, warehouses, shops, depots, offices, boarding houses, hotels, dwelling houses, camps, shanties, caches, livery stables and other erections as may be necessary or expedient in the conduct of the company's business including the power to build, construct and establish and maintain or conduct or to aid in building, constructing and establishing, maintaining or conducting churches, school houses, clubs and such other buildings as may be deemed necessary or advisable for the use of the employees of the company and others and to operate, lease, sell or otherwise dispose of the same.

To establish, maintain and operate for the use of the company, its employees, tenants and others a fire protection service, water service, electric light or gas service, and to make such contracts with respect to the same as may be found necessary or advisable either for the disposal of the surplus or otherwise.

To carry on the business of general storekeepers and dealers in supplies and general merchandise and to carry on business as farmers, dealers in and producers of dairy, farm and garden products of all kinds.

To purchase, build, construct or otherwise acquire, own, charter, maintain, operate, manage, navigate and use, steam and other boats, barges, scows and vessels and to purchase or otherwise acquire shares in any ship.

To construct, maintain, alter, make, own and operate on property owned or controlled by the company and on property adjacent thereto all such reservoirs, dams, flumes, race and otherways, works, improvements, booms, sluiceways, water-powers, aqueducts, wells, ditches, canals, wharves, slides, piers, roadways, log rolls and other erections and works as may be necessary and expedient and to produce, develop, generate and create power from any such works and to transmit and distribute the same by any means whatever for the purposes of the company or otherwise and to sell and dispose of any power or the rights to use any portion of the aforesaid property to others upon such terms as may be deemed expedient, provided however that any sale, distribution or transmission of power beyond the lands of the company shall be subject to local and municipal regulations in that behalf.

To manufacture, buy, sell or otherwise deal in all articles, materials and products connected with the business carried on by said company.

To enter into arrangements with any municipality or municipalities within which or adjacent to which the company's works are located or with the inhabitants thereof for the encouragement of municipal improvements and to assist therein or contribute thereto in such manner as may be deemed advisable.

To establish and support or aid in the
