## DEPT. OF HEALTH

Regulations of the Saint John Sub-District Board of Health, additional to  
the Regulations of the Department  
of Health regarding Dairies and  
Milk, under authority of Section 44  
of the Public Health Act, 1918.

1. These regulations shall apply to  
all that portion of the City and County  
of Saint John lying within a radius of  
two miles of the Old Court House in the  
City of Saint John and to that portion of  
the Village of Fairville and the Parish  
of Lancaster south of the Village of  
Fairville in the County of Saint John  
lying within a radius of two and one half  
miles of the Old Court House aforesaid,  
which District shall be known, for the  
purpose of these regulations, as "The  
Saint John Milk District."

2. It shall be unlawful for any per-  
son firm or corporation to sell, hold for  
sale or offer for sale for human consump-  
tion in the Saint John Milk District any  
milk or cream that has not been scientifi-  
cally pasteurized to the satisfaction  
of the District Medical Health Officer.  
(a) The term "pasteurized" shall not be  
applied to any milk or cream unless it  
has been subjected for at least twenty  
minutes and not more than thirty minu-  
tes to a temperature of not less than  
142 degrees (Fahrenheit) and not more  
than 148 degrees (Fahrenheit) and then  
at once cooled to 55 degrees (Fahrenheit)  
or under and kept at that temperature  
or below until delivered to the purchas-  
er or consumer.

3. All milk or cream sold in the Saint  
John Milk District must be delivered in  
sealed cans or glass bottles tightly stop-  
pered, or other receptacle approved of  
by the District Medical Health Officer,  
and all milk or cream sold in bottles  
must be bottled in the plant where it is  
pasteurized, or if sold in cans such cans  
must be sealed in the plant where it is  
pasteurized; but dairies which sell milk,  
cream and butter only, and no other com-  
modities, may sell loose milk in the dairy  
only.

4. All milk cans must be closed tight  
and sealed in the milk houses at the  
dairy farms before being sent forward to  
the Saint John Milk District from the  
milk house, and no milk shall be brought  
into the Saint John Milk District except  
in cans sealed with seals containing the  
name, initials or identifying number of  
the producer.

5. All milk cans used in transporting  
milk to the Saint John Milk District  
shall be of a type and size approved by  
the Saint John Sub-District Board of  
Health and shall at all times be in a  
satisfactory condition.

6. All empty cans must be cleaned,  
sterilized and sealed at dairy (or pas-  
teuring plant) before being returned to  
the Dairy Farm.

7. Milk cans must be used exclusi-  
vely for milk. Any can used for returning  
skim milk, whey or sour milk from the  
dairy to the producer must not be used  
for milk and such can must be painted  
some distinctive color and plainly mark-  
ed with the words "Not to be used for  
milk," the letters of which shall not be  
less than two inches in height.

8. The above regulations shall go  
into effect on and after the first day of  
May, 1923.

Passed by Sub-District Board of  
Health of St. John City and County St.  
John, N. B., June 27, 1922.

(Sgd) JOHN KELLY, Chairman

(Sgd) T. M. BURNS, Secretary.
