

licensee shall strictly observe, perform and comply with all by-laws, rules, regulations or Orders-in-Council of this board or otherwise made or passed under the provisions of the Public Health Act of 1918 or by the Governor of Canada, in force or enacted at any time during the currency of such license.

9. Any license issued by the Board may be suspended or cancelled for breach or nonobservance of any bylaw, rule, regulation or Order-in-Council applicable thereto, either by this Board or by the Secretary upon the direction of a Veterinary Inspector or Food Inspector of this Board.

10. The holder of a Vendor's or Dairy License shall at any time upon the request of the Secretary of the Board, deliver to this Board a statement setting forth:—(1) his name and address; (2) the source or sources of his milk and cream supply; (3) the number of cattle in his possession or under his control; (4) the average quantity of milk disposed of by him either (a) to milk shops, (b) to milk vendors (c) or to private consumers; (5) the situation of his dairy or dairies, and such other information as this Board or its Veterinary or Food Inspector may deem necessary.

11. Every holder of a Vendor's License shall comply with the various clauses of the Public Health Act of 1918 by giving notice to this Board of any cases of contagious disease in his family or in his farm house or shop at which, from which or in which the milk or cream is either sent or received, and he shall further carry out any requirements or restrictions imposed upon him by this Board under the Public Health Act.

12. Every holder of a Vendor's License shall have the number of his license conspicuously placed on the wagon or vehicle from which milk or cream is sold or delivered and every can or vessel from which it is sold when no vehicle is used.

13. Every holder of a Vendor's or Dairy License shall permit all his cattle and cow stables, and all dairies and other places in which milk and cream is sold or kept, to be inspected by the Veterinary or Food Inspectors, or person or persons appointed for that purpose or working under the direction of this Board whenever any such officers may desire to do so, and he shall keep no milk or cream intended for sale, or which may be afterwards sold or offered for sale in the said City in any place where such milk or cream is likely to become unwholesome or liable to produce disease, either by reason of adulteration, contamination with sewerage, absorption of disease germs, infection of cows, uncleanness or any other cause nor in any place condemned by this Board or any Veterinary or Food Inspector, nor carry it in any wagon or vehicle at any time used for the conveyance of swill, manure, or any other offensive material.

14. Every dairyman and vendor of milk or cream and every driver of wagons or vehicles delivering milk or cream having in his possession in the City of Moncton milk or cream for sale in the said City at the time, shall, whenever so requested, furnish any Food, Veterinary, or Sanitary Inspector of the Board with such samples of milk and cream as he require from time to time and at such places as the samples may be demanded.

15. All Health Officers Food, Veterinary and Sanitary Inspectors are authorized and required to inspect as often as to them may seem necessary, all milk or cream offered for sale whether on any of the streets, public places or shops of the said city and to seize and destroy all such milk and cream which may, on such inspection, be found unwholesome or unfit for human food, or sold by unlicensed persons.

16. No holder of a Vendor's License shall sell milk or cream bought or received from any person unless all cattle belonging to or in the possession or under the control of such person shall have passed the tuberculin test, and unless such person is the holder of a Dairy License in respect of such dairy or cattle for the then current years.

17. No milk or cream shall be delivered in bottles to any place where scarlet fever, diphtheria, typhoid fever or any other notifiable disease exists. Any consumer in whose premises any such disease exists shall provide receptacles into which the milk or cream can be poured by the dealer who shall retain the empty bottle.

18. No vendor or other distributor of milk or cream shall carry any milk or

cream for sale within the City in any cart, wagon or other conveyance unless the same is contained in properly capped bottles or sealed vessels, and no such vessel shall be filled on the street from a can containing milk or cream in bulk. Where milk and cream is delivered whole sale and in bulk in cans, such cans shall be sealed at the dairy or place of production in a manner satisfactory to the Food Inspector appointed by this Board and such seal shall not be broken until delivered to the Purchaser in his own dairy or place of business.

19. No Milk or cream shall be sold from any store, shop or other place in the City of Moncton with a license therefor except in properly capped or stoppered bottles. All milk or cream kept for sale shall be maintained in a suitable refrigerator or cooler, properly drained and cared for as approved by the Food Inspector appointed by this Board. The attendant making a sale of milk or cream may transfer it to a container furnished by the customer at the time of purchase, but no bottle containing milk or cream shall be left unstoppered in such shop or store.

20. No person holding a license under any of the regulations of this Board shall permit any contract between cattle owned, controlled or possessed by him and any cattle owned, possessed or controlled by a person not licensed thereunder.

21. A Veterinary Inspector or Inspectors shall be appointed by this Board and paid by the City of Moncton, whose duty it shall be to see that the requirements and provisions of these and all bylaws rules and regulations of this Board, or otherwise made under the Public Health Act of 1918 are carried out, and that the cows are kept clean and properly fed and cared for.

22. Nothing in these regulations contained shall be deemed to effect in any manner the requirements, conditions, by-laws, rules or regulations affecting any license heretofore issued in so far as these regulations or any of them may be held inapplicable thereto, and they shall be deemed to be cumulative and additional and not substitutional thereto.
