NOTICE

The Honourable the Acting Minister of Lands and Mines Reports for the information of the Committee of the Executive Council:

That by virtue of Section 2 of Chapter 23 of the Acts of Assembly, 1919, being an Act in addition to "The Fisheries Act," as amended by Chapter 24 of the Acts of Assembly, 1925, the Minister of Lands and Mines is authorized from time to time, to make all regulations deemed necessary in regard to the manner of surface fly fishing and fixing the limits within which such rod licenses shall apply, and may alter, amend and add to the same.

The Honourable the Acting Minister of Lands and Mines now recommends that the following regulation be adopted: "The Minister of Lands and Mines may, from time to time, issue a license to a non-resident of the Province to fish for and take all kinds or species of fish with rod and line, in the manner known as 'surface fly' fishing, in any provincial waters, except such waters as are already under lease from the Crown, for a period of three days, the fee for such

license to be fixed at the sum of Five Dollars."

And the Committee of Council concurring in said report and recommendation,

IT IS ACCORDINGLY SO ORDERED.

Certified Passed, July 1st, 1925.

M. B. DIXON,
Clerk Executive Council.

NOTICE

The Honourable the Acting Minister of Lands and Mines Reports for the information of the Committee of the Executive Council:

That by Section 13 of Chapter 12 of the Acts of Assembly, 11 George V., 1921, "The Game Act," it is provided that the Lieutenant-Governor-in-Council may, by order-in-council, passed at any time previous to the first day of August, in any year, declare an open season for partridge during such period of such year as may be fixed by said order-in-council, during which open season it shall be lawful to hunt, take, shoot or otherwise kill partridge in any part of the Province, provided, however, that during such open season no person shall hunt, take, shoot or otherwise kill more than six partridge in any one day or more than twenty partridge during such open season.

The Honourable the Acting Minister of Lands and Mines now recommends that the Lieutenant-Governor-in-Council by order-in-council declare an open season for partridge from the twentieth of October to the tenth day of November, both inclusive, for the year 1925.

And His Honour the Lieutenant-Governor and the Committee of Council concurring in said report and recommendation,

IT IS ACCORDINGLY SO ORDERED.

Certified Passed, July 1st, 1925.

M. B. DIXON,
Clerk Executive Council.

The Honourable the Acting Minister of Lands and Mines reports for the information of the Committee of the Executive Council:

That he deems it advisable to make certain changes and amendments to the Timber Regulations of the Province of New Brunswick.

The Honourable the Acting Minister of Lands and Mines now recommends that the changes and amendments as shown in the Schedule hereto annexed, be made and adopted, the same to take effect the first day of August, 1925.

And the Committee of Council, concurring in said report and recommendation,

It is Accordingly so Ordered.

Certified passed, July 1st, 1925.

M. B. DIXON,
Clerk Executive Council.

TIMBER REGULATIONS (In effect 1st August, 1925)

1. The provisions of Chapter 11, 3 Geo. V., 1913, are now applicable to all Saw Mill and Pulp and Paper Licenses.

2. Saw Mill Licenses extend for a period of twenty years from 1st August, 1913 with a renewal of ten years, as specified in above Act, upon continued compliance with the said Act, with the Order-in-Council dated 19th July, 1913, providing for the payment of the bonus as set forth in said Act and these Regulations.

3. Pulp and paper licenses extend for a term of 20 years, and subject to an extension of twenty years, upon compliance with above Act; the Order-in-Council of 19th July, 1913, providing for the payment of bonus as set forth in said Act and these regulations.

4. The stumpage payable on all logs, timber or wood, cut or made upon Crown Lands under saw mill and pulp and paper licenses shall be as follows:

For Spruce, Pine, Hemlock and Cedar Saw Logs, per M superficial feet, \$3.00.

For Hemlock Logs, per M superficial feet, \$2.25.

For Fir Logs, per M superficial feet, \$2.50.

For Poplar Logs, per M superficial feet, \$2.50.

For Hardwood Logs, per M superficial feet, \$3.50.

For Railway Ties, 8 feet in length (including culls), each 12 cents.

For all other descriptions of lumber not specified above, 15 per cent of the market value thereof, at the mill, place of ship-

ment, or place of consumption in the province.

For the purpose of calculation, a cord of any kind of wood with the bark on, will be recognized as 600 superficial feet.

Permits issued by the authority of the Minister to cut undersized trees on barren land or thickets, will pay the above rate of stumpage with the addition of an amount not to exceed fifty cents per M for cost of supervision.

For Spruce, Fir and Pine trees killed by fire the rate of stumpage shall be one-half the above rate for the year ending August 1st, 1926. This half rate shall be discontinued after the first of August, 1926.

The stumpage rate on spruce lumber defective because of the spruce budworm shall be \$1.50 per M. The rate on fir lumber, defective because of the spruce budworm, shall be \$1.25 per M. The percentage of defective lumber to be determined by the Government Scaler after the logs are yarded and subject to the approval of the Inspector of Scales.

5. All the lumber cut under this License shall be scaled or taken account of in the usual or customary method of scaling and taking account of lumber for stumpage by some person or persons to be appointed by the Minister of Lands and Mines to be hereafter termed scalers who shall return to the Minister of Lands and Mines the quantity cut under this License. The scaler and his assistants are to be boarded and lodged at the expense of the said Licensee, and should such Licensee refuse to board and lodge such scaler or assistants, he or they to report the same to the Minister of Lands and Mines, who may thereupon take such means as he sees fit to provide the said scaler and his assistants with board and lodgings, and the expense thereof shall be paid by the Licensee, and shall, until paid, remain a charge and lien upon all lumber so cut under this License.

6. All Licensees shall, when required, furnish through themselves, their agents and foremen, to such agent or agents as the Minister of Lands and Mines may appoint for that purpose, and at such time and place as such agent or agents may require, satisfactory proof upon oath as to the exact locality where all the saw logs, timber, trees and other lumber as provided by this License, in his or their possession, were cut, with the mark or marks thereof, giving the number of pieces and description of saw-logs, timber, trees and other lumber cut by themselves and others to their knowledge, upon each of the timber berths held or occupied by him or them respectively, designating what quantity if any, has been cut on any other lands, describing the same, exhibiting at the same time for the inspection of such agent or agents, if required, the books of accounts and measurements of such logs, timber and other lumber under his or their control respectively, and shall moreover, furnish such agent or agents all required information and facilities to enable him or them to arrive at a satisfactory determination as to the quantity and description of such saw-logs, timber, trees and other lumber made by him or them, or held in his or their possession respectively, on which Government dues are chargeable, and in the event of such agent or agents deeming it expedient to cause such saw-logs, timber and other lumber to be counted or measured, such Licensee or occupier of timber berths, and his or their agents or foremen, shall if required, aid and assist in such count or measurement. Where parties cutting under pretence of this License are cutting on granted or private lands as well, parties so cutting shall have two separate and distinct brows and shall brow what lumber is cut from Licensed Crown Lands in one brow, and what lumber is cut from granted lands in the other brow, and shall mark such logs coming from the Crown Lands with a separate and distinct mark from those coming from granted lands. In the event of the Licensee, or any operator under him, claiming that the Government scaler has not reported a correct amount of lumber as cut from Crown Lands, it shall be incumbent on the Licensee, or any operator under him to furnish the Minister of Lands and Mines with a sworn statement as to the total quantity of lumber cut, and also of the quantity cut from granted lands. Should such Licensee or occupier, or his or their agents fail to comply with these conditions on notice in writing signed by the Minister of Lands and Mines or the Deputy Minister of Lands and Mines, and delivered to said Licensee or his assignee, personally, or mailed to his address, such Licensee
