

such merchantable lumber.

28. Permission is granted to the Licensee to cut and carry away all blown down lumber, burnt lumber and trees affected by the spruce budworm, all irrespective of size; provided the operations are conducted under the Forest Engineer of the district who will first give his permission to cut such lumber. And where the lumber is only partially destroyed by such fire, or where trees are blown down, he may call upon the Licensee to remove the whole or any part of such burnt or blown down lumber before it decays, as may seem reasonable to the Minister. On failure to comply with such demand, the Licensee may be called upon to pay stumpage on such lumber as by these regulations prescribed.

29. The Rates of Stumpage on lumber cut in the Blue Bell Tract are the same as those set forth in Section 4 of these Regulations.

30. Any logs cut and delivered in a stream or lake where they are liable to float down before being scaled by the Government scaler, to be subject to a penalty of double stumpage.

31. Licensees shall on or before the first of May in each year file in the Crown Land Department a return showing the kinds and quantities of lumber cut by them during the previous logging season in compliance with Chapter 16, 8 George V., 1918.
