## SPEECH

*Mr. Speaker and Gentlemen of the Legislative Assembly:—*

In bringing the present Session to a close and relieving you from further attendance, I desire to express my appreciation of the careful attention given to the discharge of your duties.

In addition to Acts of a private character which have been passed, you have been asked to consider much important legislation and measures for the prosperity and good government of the Province. Among the latter are: An Act enabling the Hydro Commission to proceed with the development of the water powers of the Grand Falls, an Act respecting the encouragement to be given to the establishment of an abattoir in the Province, an Act respecting the children born out of wedlock, an Act giving the right to married women to vote at School District meetings and act as trustees, an Act known as the Widow's Protection Act.

I thank you for the liberal provision which you have made for the several important services of the Province.

I now relieve you from your Legislative duties, and in bringing this Session of the Legislature to a close, permit me to extend to all of you my earnest wish for your individual prosperity and happiness.
