"SCHOFIELD PAPER COMPANY, LIMITED"

PUBLIC NOTICE is hereby given that under the "New Brunswick Companies' Act, 1916" and amending Acts, Supplementary Letters Patent have been issued under the seal of the Provincial Secretary-Treasurer of the Province of New Brunswick, bearing date the Eighteenth day of April, A. D. 1927, whereby the Capital Stock of "Schofield Paper Company, Limited" has been increased to one hundred thousand dollars in the following manner:

Whereas the authorized stock of the Company is Ninety-nine thousand and eight hundred dollars divided into nine hundred and ninety-eight shares of the par value of one hundred dollars each.

And whereas it is desirable in the interest of the Company and of the Shareholders that the Company shall be re-organized in such a way that the present issued capital stock of ninety seven thousand, six hundred dollars divided into nine hundred and seventy six shares should be divided into two thousand one hundred and ninety six common shares without nominal or par value.

And whereas for the due carrying out of the objects of the Company it is deemed requisite to increase the Common capital stock of the Company when converted as aforesaid by an additional three hundred and four common shares without nominal or par value thereby making the total authorized capital stock of the Company two thousand five hundred common shares without nominal or par value.

Therefore the outstanding issued stock of the Company, ninety seven thousand and six hundred dollars, consisting of nine hundred and seventy six common shares of the par value of one hundred dollars each, be sub-divided and converted into two thousand one hundred and ninety six shares without nominal or par

value, and that the common capital stock of the Company when sub-divided and converted from Nine hundred and seventy six shares of the par value of one hundred dollars each into two thousand one hundred and ninety six shares without nominal or par value be then increased from two thousand one hundred and ninety six shares without nominal or par value to two thousand five hundred common shares without nominal or par value, and that the amount of capital with which the Company hereafter will carry on business shall be one hundred thousand dollars, represented by the ninety seven thousand and six hundred dollars already subscribed and fully paid-up, together with a further sum of two thousand and four hundred dollars to be subscribed and fully paid up.

That the Board of Directors may accept surrender of the existing nine hundred and seventy six shares of the Company heretofore issued and in exchange therefor issue to the surrendering stockholders two thousand one hundred and ninety six common shares without nominal or par value, making equitable adjustment for fractional parts of shares.

That the Board of Directors may sell and issue the remaining 304 shares without nominal or par value or such portion thereof as they may determine from time to time for such consideration as the Board of Directors shall fix. All such further shares authorized as aforesaid to be issued must in the first instance be offered to all the existing shareholders for the time being, which offer shall be made by notice specifying the number of shares authorized to be issued and the terms of their issue and stating that the shareholders be at liberty to tender for the same at any time before a date named, which date shall not be earlier than 30 days after the posting of such notice, such notice shall be sent in the same manner as notices of meetings of shareholders, each shareholder shall be at liberty to make a tender in writing delivered at the head office of the Company on or before the day named in such notice for receipt of tenders for such shares or any of them on the terms specified in the notices or to assign his or her rights of tender to any other stockholders and the Directors shall allot the shares to the shareholders who so tender. And in the event of more shares being tendered than are authorized to be issued the shares shall (as nearly as may be) be allotted to the tendering stockholders in proportion to the capital already held by them and by such other stockholder or stockholders whose rights may have been acquired by assignment respectively.

The above Company is given permission to hold the annual meetings of the Company and the annual meetings of the shareholders of the Company, and meetings of the directors outside the Province of New Brunswick.
