

such unexpired License shall be vacant and open for application by any other person.

22. In cutting sleepers or railway ties, the operator must put some distinguishing mark on each sleeper or tie, and such marks so to be used shall be furnished to the Deputy Minister of Lands and Mines in each year, before the operation is commenced; otherwise any sleepers or ties cut by any operator shall be subject to a stumpage of twenty-five cents each. Ties cut and hauled to the railway or stream shall be piled in a suitable manner where they can be counted. A space of three feet must be allowed between every other two tiers. Otherwise they will be repiled at the expense of the licensee. Pulpwood must be placed in piles of one cord or more.

23. Any person indebted to the Department of Lands and Mines for any sums as stumpage dues shall be debarred from making any application for a Timber License, from bidding on the sale of any Timber License, or from having any Timber License issued to him by transfer or otherwise.

24. The saw will be used in felling trees and in cutting them into log lengths. If any logs are cut down with an axe their length for scaling shall be from point to point of scarf, being the extreme length of the log. Six inches will be the maximum allowance for trimming, but if exceeded the scaler will include in his scale the next foot above in length. A penalty of \$10 per M will be charged on spruce and pine used as skids in the building of roads, bridges, etc., where other species are available, also all lodged trees left in the woods. The lower limbs of every fallen tree shall be fopped off, so that the top will lie flat on the ground to rot.

25. No portable saw mill will be set up on Crown Land without first obtaining a License from the Department of Lands and Mines.

26. This License to be subject to "The Manufacturing Conditions," as authorized by Section 1 of Schedule "A" of Chapter X, 1 George V., as amended by Chapter 20, 8 George V., 1918.

27. The Licensee shall have the right to cut and carry away all merchantable lumber upon lots that may have been surveyed within the boundaries of the License, and that have been applied for under the Labor Act, for the space of one logging season immediately after such application has been "approved" in the Royal Gazette, and should such lot or lots be "approved" after the first of December, the Licensee shall have one year from the first of August next following to remove such merchantable lumber.

28. Permission is granted to a Licensee to cut and carry away all blown down, burnt or dead lumber, all irrespective of size; provided the operations are conducted under the Forest Ranger of the district who will first give his permission to cut such lumber. And where the lumber is only partially destroyed by such fire, or where trees are blown down, he may call upon the Licensee to remove the whole or any part of such burnt or blown down lumber before it decays, as may seem reasonable to the Minister. On failure to comply with such demand, the Licensee may be called upon to pay the stumpage on such lumber as by these regulations prescribed.

29. The Rates of stumpage on lumber cut in the Blue Bell Tract are the same as those set forth in Section 4 of these Regulations.

30. Any logs cut and delivered in a stream or lake where they are liable to float down before being scaled by the Government Scaler, to be subject to a penalty of double stumpage.

31. Licensees shall on or before the first day of May in each year file in the Department of Lands and Mines a return showing the kinds and quantities of lumber cut by them during the previous logging season in compliance with Chapter 16, 8 George V. 1918.
