in the County of Westmorland and Province of New Brunswick.

Dated at the Office of the Provincial Secretary-Treasurer the Eighth day of May, A. D. 1920.

ROBT. BAYLEY,
Deputy Prov. Secretary-Treasurer.

**"NATIONAL FUNDING COMPANY,
LIMITED."**

PUBLIC NOTICE is hereby given that under "The New Brunswick Companies' Act" (being Chapter 22 of the Revised Statutes 1927), Letters Patent have been issued under the seal of the Provincial Secretary-Treasurer of the Province of New Brunswick, bearing date the Twenty-ninth day of April, A. D. 1920, incorporating, Marion Wilford Proctor, Printer; Edward Alphonsus Kelly, Railway Director; both of the City of New York, the State of New York, one of the United States of America; and Eugene David Collins, Manufacturer; of the City of Orange, in the State of New Jersey, one of the United States of America; for the following purposes namely:

To secure from any government or other authority, or from any corporation or person and hold and develop, operate and generally turn to account all and any franchises and concessions of any nature whatsoever that the Company may be able to obtain for mines, minerals, oils and timber lands and rights and other like properties and or for the construction of electric light and power plants, hotels and other like enterprises for the use and purposes of the Company only.

To acquire by purchase, lease, charter or otherwise, construct, own, hold, maintain, operate and manage buildings of any and every kind and description including hotels, shops, stores, manufacturing plants, mills, refining plants and other like buildings and structures, steamships, steamboats and vessels of every kind and description, including tugs, ferries, dredges, lighters, barges, boats and water-craft of all kinds, docks wharves, basins, harbour and port works and terminals, warehouses and all other buildings of similar nature, properties of every kind and description including movable, immovable, real and personal property of any kind and every nature whatsoever and rights and interests therein, water lots and other like rights and properties.

To carry on the business of mining, extracting, producing, manufacturing, buying, selling, trading and dealing in iron, steel, lead, nickel, gold, silver, precious stones, coal, oil and other metals, minerals and ores of any kind and description and the products and by-products of same.

To acquire by purchase, lease or otherwise, and to own and hold, mine and operate mining lands, mines, mining rights and leases, and mining claims, pre-emption rights, or any interests therein of any and every description and all and any real or personal, movable or immovable property, easements, rights or privileges which the Company may think necessary or convenient for the purposes of its business or any part thereof.

To erect and operate one or more plants to reduce or treat ores by any process whatsoever, to smelt, produce, manufacture or otherwise deal with same in any manner whatsoever or the products and by-products of same.

To manufacture, import, export, buy, sell, deal in and deal with lumber, logs, timber and wood of every kind and description and in all products of the forest, both manufactured or unmanufactured, of all kinds and descriptions.

To erect, install and operate factories, mills, plants, machinery and equipment of every kind necessary or suitable for the carrying on of the Company's business.

To acquire by purchase, lease or otherwise and to own, construct, develop

and operate steam, electric and hydraulic plants for the purpose of generating heat, light and power for the uses of the Company in connection with any of its operations and in connection therewith to erect all such dams, sluices, reservoirs, water courses, buildings and other constructions as may be necessary for the proper completing of such works or any of them and to enter into all and any contracts and agreements for the supply of heat light and power that the Company may deem proper, provided however, that the sale, distribution and transmission of electricity or other power shall be subject to Provincial, Municipal or other Local Regulations in that behalf.

To erect and construct or acquire by purchase, lease or otherwise, and operate a system of waterworks for the uses of the Company in connection with any of its operations and for the use of its employees and to dispose of any surplus waters not required for such operations and uses and in connection therewith to enter into all and any contracts and agreements for the supply of water that the Company may deem proper, provided however, that the sale, distribution and transmission of such water shall be subject to Provincial, Municipal or other Local Regulations in that behalf.

To manufacture, purchase or otherwise acquire, to hold, own, sell, assign and transfer or otherwise dispose of and to trade and deal in goods, wares and merchandise and act as general storekeepers and to provide board and lodging, clothing and provisions generally all supplies to those engaged in or about any of the Company's works, and to contract for the providing of the same.

To purchase, lease and take in exchange or in payment, subscribe for or otherwise acquire, hold and own and whilst holding same, to exercise all the rights and privileges of holders and owners thereof, and to sell with or without guarantee, and deal in the shares, bonds and debentures and other securities of any other company or companies having purposes or objects altogether or in part similar to those of this Company or carrying on any business capable of being conducted so as directly or indirectly to benefit this Company and to establish, promote or otherwise assist in any such company or companies.

To issue paid-up shares, bonds, debentures or other securities for the payment either in whole or in part, of any property, real or personal, movable or immovable, property rights, lease, business, franchise, undertaking, power, privilege, license or concession which this Company may lawfully acquire and or for any services rendered to the Company and to issue fully paid shares, Bonds, debentures or other securities of the Company in payment or part payment of or in exchange for shares, bonds, debentures or other securities of any other company doing a business similar or incidental to the business of this Company.

To invest and deal with the monies of the Company not immediately required, upon such securities and in such manner as may from time to time be determined.

To distribute in specie or otherwise, as may be resolved, any assets of the Company among its members, and particularly the shares, bonds, debentures or other securities of any other company formed to take over the whole or any part of the assets or liabilities of the Company.

To make traffic or other arrangements with any railway, steamboat, navigation or other company or any government or municipal organization whose line or railway or vessels or any part of its undertaking communicates with or is contiguous to that of the Company or may be conveniently operated therewith, and to enter into agreement with such company or companies, government or organization for the con-
