

under "The New Brunswick Companies' Act" (being Chapter 88 of the Revised Statutes 1927). Supplementary Letters Patent have been issued under the seal of the Provincial Secretary-Treasurer of the Province of New Brunswick, bearing date the Tenth day of February, A. D. 1930, whereby the Company is authorized to exercise the powers, privileges and franchises mentioned in Section 18, subsection (1) of Chapter 88 of the Revised Statutes of New Brunswick, 1927, namely,—

To enter from time to time upon any public streets, roads, squares, open plots of ground or highways in the County of Madawaska, and break up and open such public roads, streets, squares, plots of ground or highways, or any part thereof, for the purpose of erecting and maintaining poles and posts, and stringing and maintaining wires for electric light purposes, and for renewing and repairing the same, and for the placing and maintaining, under ground along and across such public streets, roads, squares, plots of ground or highways, mains, pipes or conduits for the conveying of electricity for motive power or for heating and lighting purposes, and for renewing and repairing the same.

Before such Company shall break up and open any part of said roads, streets, squares, open plots of ground, bridges and highways, the Company shall give previous notice of their intention to do so in writing to the City or Town Council in any City or Incorporated Town, or to the supervisor or road commissioner in any parish or part of a parish in which it is proposed to break up and open any part of said roads, streets, squares, open plots of ground, bridges and highways, and shall receive the consent in writing so to do of such City or Town Council or Supervisor, or Road Commissioner as the case may be and not otherwise.

That such Company shall and do, at their own proper costs and charges, and to the satisfaction of such City or Town Council or Supervisor or Road Commissioner, and without unnecessary delay, repair and amend the said roads, streets, squares, open plots of ground and highways, pavements or side-walks in every part where they shall be so broken up and opened as aforesaid to the condition to which they were before breaking up or opening the same.

No poles or wires or conduits shall be placed in such a way as to interfere with the poles or wires or conduits of any telephone, telegraph or electric light company now existing or so as to impair or impair the effective working of any telephone, telegraph or electric light system in operation in this Province in places where any such system in operation in this Province in places where any such system may be in operation before such Company hereby incorporated establishes its system, it being understood, however, that nothing herein contained shall be construed to prevent such Company hereby incorporated from erecting its poles or placing its conduits or stringing its wires or laying the same underground on the opposite side of any highway or street to that occupied by the poles or wires of any existing telephone, telegraph or electric light system.

Provided also that such corporation, its agents and workmen shall not in the execution of any of the powers herein given, do or permit any unnecessary damage, nor shall they cut down or injure any fruit, shade or ornamental tree, nor in any way obstruct the entrance to any door or gateway, or place any post or pole directly opposite any window of any store, dwelling house, school house or place of divine worship or in any ditch of any street or highway.

Any poles used in any City, Town or Village by such Company shall be straight cedar poles of a reasonable size and of sufficient length that any wires placed thereon by such Company shall be not less than 20 feet above the ground, street, road or highway over which the same are placed.
