Department of Lands and Mines GENERAL TIMBER REGULATIONS Issued under Chap. 11, 3 Geo. V., 1912 of New Brunswick In Effect August 1st, 1931

1. In these rules and Regulations the word "License" shall mean Saw Mill Licenses and Pulp and Paper Licenses issued under Chapter 11 of 3 George V., 1912; and the word "Licensee" shall include Licensees under such Saw Mill Licenses and Pulp and Paper Licenses, and also the Licensees' executors, administrators, successors and assigns, and the word "timber" shall have the meaning given to it by Section 1 of Chapter 30 of the Revised Statutes of New Brunswick, 1927.

2. All sums payable for Bonus, Mileage, Stumpage and Fire Tax, shall be payable in cash to the Provincial Treasurer, at Fredericton, and interest at the rate of six per cent per annum will be charged on all overdue accounts; provided, however, that in all cases where the Minister of Lands and Mines may deem advisable, payments of amounts due may be exacted at any time. Until the stumpage is paid or arranged for, all timber cut within the limits of any License shall be and remain the property of the Crown, and in no case shall be removed from the berth or brows until payment or security therefor is given to the satisfaction of the Minister of Lands and Mines or his Deputy. Should the Licensee fail to pay or arrange, at or before the date specified in the License, the stumpage payable in respect of any timber cut within the limits of any License, or the bonus mileage or fire tax in respect of any License then the Crown shall have the right and power to seize and sell by public auction for cash the whole or any part of the timber, lumber and wood cut within the limits of any licenses held by the Licensee, or anything made therefrom, and the Licensee shall be entitled to any balance after deducting the amount of such unpaid stumpage and or bonus, and or mileage and or fire tax, and all expenses of seizure and sale; and in addition, if such proceeds of sale shall not be sufficient to pay the unpaid stumpage and or bonus, and or mileage and or fire tax, the Minister of Lands and Mines may advertise and offer for sale any and all licenses standing in the name of the Licensee until such stumpage dues, and or bonus, and or mileage, and or fire tax, are satisfied, or the Lieutenant-Governor-in-Council shall have the right to absolutely cancel such Licenses after due notice in writing to the Licensee.

3. All timber cut under any License shall be scaled in the usual method, according to the scale now in force. Such scaling shall be done by persons appointed by the Minister of Lands and Mines, hereinafter termed "Scalers," who shall return to the Minister of Lands and Mines the quantity cut under each license. The scaler and his assistant are to be boarded and lodged at the expense of the Licensee, and should such Licensee refuse to board and lodge such scaler or assistant, or they shall report the same to the Minister of Lands and Mines, who may thereupon take such means as he sees fit to provide such scaler and his assistant.
