Supplementary Letters**"EASTERN CANADA COASTAL STEAMSHIPS, LIMITED"**

Public Notice is hereby given that under "The New Brunswick Companies' Act" (being Chapter 88 of The Revised Statutes 1927), and amending Acts, Supplementary Letters Patent have been issued under the seal of the Provincial Secretary-Treasurer of the Province of New Brunswick, bearing date the Nineteenth day of March, A. D. 1931, whereby the Capital Stock of the said Company is reduced in the following manner:—

In the original Letters Patent the authorized Capital Stock was \$700,000.00 divided into 20,000 Preference Shares of the par value of \$35.00 each, which said Preference Shares were designated Class A. Participating Shares, and also 40,000 Shares without Nominal or Par Value, which said Shares without Nominal or Par Value were designated Class B. Shares.

That of the said 20,000 Class A. Shares of the Par Value of \$35.00 each, and of the 40,000 Class B. Shares without Nominal or Par Value, there have been issued and are now outstanding:

10,862 Class A. Shares of the Par Value of \$35.00 each issued for ... \$380,170.00

That the said 10,862 Class A. Shares and the said 20,000 Class B. Shares have been fully paid up.

That to provide for depreciation in the value of the assets of the Company, it is desirable that the real equity behind the said 20,000 Class B. Shares without Nominal or Par Value at the present time represented by the available assets shall be fixed at the sum of \$50,000.00, and it is therefore necessary to reduce, fix and establish the amount of Capital with which the Company shall carry on business as represented by the said 20,000 Class B. Shares without Nominal or Par Value at the sum of \$50,000.00.
