EPAGE 68

The provision made for the completion of the buildings at the University of New runswick, and also at the Provincial Hospital ensures the accomplishment of important and much needed public works.

Act are also of importance.

I thank you for the provision which you have made for the public services of the Province, which are as generous as present conditions will warrant.

I trust that the blessing of Divine Providence may remain upon our land, the character of whose people, its happy social conditions, its storied past and its wonderful future afford subjects for heartfelt gratitude.
