ANTOINE J. LEGER,

Fredericton, August 29th, 1932.

The Honourable the Attorney-General reports for the information of the Committee of the Executive Council:

That the Legislative Assembly of the Province of New Brunswick at its 1932 session, passed the following Act which has now become law:—

'An Act to confer certain powers upon the Lieutenant-Governor-in-Council in respect to insurance.

Whereas by a recent decision of the Judicial Committee of the Privy Council the regulation of the business of insurance is declared to be a matter of Provincial jurisdiction, which necessitates a consideration and revision of the existing laws of the Province relating to insurance, and it is expedient to empower the Lieutenant-Governor-in-Council to make orders and regulations pending such revision;

Be it therefore enacted by the Administrator of the Government and Legislative Assembly as follows:

1. Notwithstanding the provisions of any act of Assembly relating to insurance, the Lieutenant-Governor-in-Council shall have full power to make such orders and regulations as may be deemed necessary or desirable for the licensing or other authorization, and the regulation of insurance and the business of insurance in this Province.

2. All orders and regulations of the Lieutenant-Governor-in-Council shall have the force of law and shall be enforced in such manner and by such officers as the Lieutenant-Governor-in-Council may prescribe and may be varied, extended or revised by any subsequent order or regulation.

3. The Lieutenant-Governor-in-Council may prescribe penalties that may be imposed for violation of the orders and regulations made under the authority of this Act.

4. This Act shall come into force upon the day it is assented to, and shall expire on the day of the prorogation of the next Session of the Legislature."

That he has received a request from the Association of the Insurance Underwriters of New Brunswick and he now deems it desirable and expedient that under the provisions of said Act certain regulations be made for regulating the business of automobile insurance in the Province of New Brunswick.

The Honourable the Attorney-General therefore now recommends that under and by virtue of the power given to the Lieutenant-Governor-in-Council by the said Act, the regulations hereto annexed marked "1" become law in the Province of New Brunswick on the First day of September, 1932, and continue to be law until the day of the prorogation of the next Session of the Legislature.

And the Honourable the Attorney-General also recommends that under and by virtue of the aforesaid power, the operation of Section 113 of Part 2 of the Motor Vehicle Act be suspended from the 1st day of September, 1932, until the day of

the prorogation of the next Session of the Legislature, and the Regulations hereto annexed marked "2" become law and operate in lieu of said Section 113 for the said period.

And the Committee of Council concurring in said report and recommendation.

It is Accordingly So Ordered.
