19. Licensees who have paid their stumpage dues in full and have fully complied with all the conditions of their Licenses on or before the first day of August in each year shall be entitled to annual renewals for such parts of the ground held by them as may at the first day of July in each year, be vacant and unapplied for, on payment of the mileage thereon at the rate of eight dollars (\$8.00) per square mile, payable on or before the first day of August in each year. That no renewal mileage on Licenses shall be received unless all stumpage dues have been fully paid as before provided; also provided, that no License shall be reckoned at less than two square miles.

Should any Licensee fail to renew any Timber License held by him on or before the first day of August in each year, the berths or limits covered by any such un-renewed License shall be vacant and open for application by any other person.
