D. 1932, whereby the Capital Stock of the above Company has been increased from One Hundred Thousand Dollars to Two Hundred and Fifty Thousand Dollars and the Powers extended by the following provisions:

The remainder of any such surplus net profits shall then be applicable to the payment of further dividends equally per share upon both Preferred and Common Shares and for this purpose one share of Preferred Stock shall be deemed to be equal to ten shares of Common Stock. The Board of Directors may declare and out of such surplus net profits may pay annual dividends upon the Common Shares of the Company to the extent of sixty cents (60) per share but no such annual dividends shall be declared or paid until the cumulative dividends shall have been paid in full upon the Preferred Shares for such year and all preceding years; and after the payment of such cumulative dividends upon the Preferred Shares and such dividends upon the Common Shares to the amount of not exceeding sixty cents (60) per share, out of any further surplus net profits the Board of Directors may declare and pay dividends equally per share upon Preferred and Common Shares, and for this purpose one share of Preferred Stock shall be deemed to be equal to ten shares of Common Stock.

In the event of the winding up or dissolution of the Company, whether voluntary or involuntary, or for re-organization or otherwise, or upon any distribution of capital, no sum whatever shall be paid to any assets whatever shall be distributed among the holders of other stock or shares of the Company until there shall have been paid to the holders of the Preferred Shares 100 per cent of the par of such Preferred Shares if fully paid up or of the amount paid up thereon, if only partly paid up plus a sum equal to the arrears, if any of the dividends accumulated on the Preferred Shares to the date of distribution whether or not earned or declared and the holders of the Preferred Shares shall be entitled to be paid all such moneys out of the assets of the Company by preference over and in priority to the holders of any other stock or shares and after such payment the remaining assets and funds of the Company shall be divided among and paid to the holders of other stock or shares in accordance with their rights.

The holders of all shares of the Company whether Preference Shares or Common Shares shall be entitled to vote for all purposes at all meetings of Shareholders of the Company, the holder of Preference Shares to be entitled to one vote for each share held by him, and the holder of Common Shares to be entitled to one vote for each ten (10) shares held by him.

The Company shall have the right at any time and from time to time to purchase all or any of the outstanding Preferred Shares at or under the redemption price hereinafter mentioned and or to redeem all or any of the outstanding Preferred Shares at 100 per centum of the par value thereof if fully paid up or of the amount paid up thereon if only partly paid up plus accrued and unpaid dividends to the date fixed for redemption. If the Company desires at any time to redeem less than all the outstanding Preferred Shares, the shares to be redeemed shall be selected in such manner as may be prescribed by the Directors of the Company, provided that in the event of redemption the Shareholders whose shares are redeemed shall be entitled to at least sixty days' notice in writing, such notice to be given by mail to the registered holders in question at their addresses as the same appear on the books of the Company, or at their last known addresses, and provided that the shares so purchased or redeemed shall be forthwith cancelled.

Company in proportion to their present holdings of the Company's Capital Common Stock in consideration of each Shareholder accepting the same in lieu of the repayment to him by the Company of his proportionate share of the sum of \$35,000.00 which said sum is part of a certain loan made by the Shareholders to the Company as a result of and pursuant to a certain Resolution of the Shareholders passed at a Special Meeting of the Shareholders on December 30th 1929, whereby a dividend of \$82,192.59 was declared out of the earnings of the Company prior to January 1st, 1927, and paid to the President of the Company as trustee for the Shareholders who thereupon on behalf of the Shareholders loaned and paid over the said sum to the Company pursuant to the said Resolution.

To provide that the remainder of such Preference Stock shall be allotted at such times and in such manner as the Directors may by By-Law prescribe.
