nor of discharging my duty at present. Frenchmen-Europe beholds our glorious revolution with admiration, not unmixed with astonishment. She asks, can it be possible that such events can take place by the force of civilization and energy, and without throwing society into confusion ? Let us dissipate all doubts upon the subject. Let a goeed to the overthrow of absolute power. 'Liberty and public order !' this is the device borne on the colours of the National Guard of Paris; be it also in effect the spectacle which France shall display, to Europe. In a few days we have ensured for ages the happiness and glory of our country. "Paris, Aug. 15, 1830." "LOUIS PHILIPPE.

BRITISH AMBRICA. LOWER-CANADA.

o'clock, the extensive Distillery of D. Handyside, Esq. situated on Point a Calliere, was discovered to be on fire. When we reached the scene of destruction, the Flames were issuing through the roof for a considerable extent, about the still chimney. Fortunately there was a fire engine on the premises, which had been purchased lately expressly for the establishment; by the timely and active use of this engine, subsequently assisted by the engines of the City, the fire was extinguished before any extensive injury was sustained-The members of the Fire Societies, and the citizens generally exerted themselves with a very laudable spirit of activity. We observed the very valuable services of several sailors (the crew of the Niagara as we have been informed) who wrought the engine in the inside of the building with great spirit. Upon Mr. Handyside's approaching them and expressing himself grateful for their activity, one replied very characteristically, " we don't know you sir, but we won't desert you. The fire originated in an oversight of a mason, who in constructing a chimney about two months ago, left only a single brick between the inside of the flue and a beam of timber ; this beam consequently ignited, and communicated fire to the roof. The dam- the 77fh was distinguished by a remarkable age sustained has been so trifling that the works proposition. Its object was to abolish the were not suspended for an hour.-This fire has proved the utility of having an engine on large properues, such as Mills, Breweries, Distilleries, Factories and the like, and we hope merchants and proprietors, will provide themselves with engines, especial-Handyside's premises, come at a very low price, been spread: Sixty thousand Bedonins have At Woodstock 4th inst. by the same James We about £25 as we have been informed. General Berthesene Estabrooks of Wakefield, to Bathsheba Vanhorn Esq., Agent for the Etna Insurance Company in put himself at the head of 15,000 men and re- Woodstock. this City, is also Agent for the sale of these Engines.-Canadian Courant.

London dates by the Brig Duncan, at St John, are up to the 26th August .- Parliament has been prorogued from the 14th September to the 26th of October, then to meet for the despatch of business.

The Affairs of France continue to engross vernment, as orderly as it is popular, instantly suc- the attention of the political world almost to the exclusion of every other article of interest or importance. Much has been accomplished. in a short space of time in order to establish and re-model the new government of Fran ce; but we never imagined that these desirable measures could be attained, without producing a concussion of circumstances and effects, which must invariably accompany such an event; and it is extremely difficult from present appearances to say, when or how the existing conflicts which disturb the peace of that un-FIRE.-Yesterday morning about half past twelve happy Kingdom may terminate. We perceive that a spirit of popular insubordination is still abroad, in consequence of which, the King has issued a proclamation enjoining due submission to the laws now in force, until new laws shall be enacted to remedy existing evils. A despatch was received at Calais announcing the arrival of M. de Polignac. As the public indignation in France, is very loudly expressed against this individual, it is said it will be difficult for the government to preserve him from capital punishment.

Holyrood House has been thoroughly repaired, and will afford Charles more elegant and comfortable quarters than it did during his former sojourn. The Scotchman says, "We wish Charles had carried his person to any other spot in Europe than Britain."

The French ex-Minister of Marine, Baron d'Haussez arrived at Eastbourne (England) having been four nights at sea in a fishing boat. The sitting of the Chamber of Deputies on punishment of death in cases like that by which the late French Ministers, if found guilty, will be subjected to the fearful award.

subject of TEMPERANCE. At present they are confidence, in this respect, it will be my study to serve inadmissable-at a future time they may be you faithfully, and to the utmost of my power-but

serviceable.

It is stated in the American papers, on the authority of a letter said to have been received concessions having been made which would be a sufficient equivalent to Great Britain, as and we never can consider the matter as vir- to attempt such a course, to obtain your support.

tually settled until that point is revealed. We are therefore of opinion that the subject has been dismissed for the present, (perhaps with some favorable assurances,) that Mr M'Lane might communicate with his Government respecting the conditions which Great Britain will only accept; and they are very probably such as will not be very readily nor willingly granted. The United States were the first aggressors, and it remains with them to compromise matters if they can.

Married.

At Christ Church, on the 6th Inst. by the Venerable Archdeacon Coster, the Reverend Addington Davenport Parker, Rector of Prince William, to Harriet, third daughter of the late Lieut.-Colonel Rudyerd, of the Royal Engineers.

At Wakefield on the 25th ult. by the Rev. Samuel D. L. Street, James Suter to Jane "Jackson all of that place.
