

Mail, after the water communication shall have ceased; and having learnt also, by the within memorandum from Mr. Macaulay, Supervisor of the Canada line of Road, that no provision had been made for the repair of those Bridges, I consider it my duty to represent to your Excellency that very injurious consequences may ensue, should the interruptions to the progress of the Mails, with which we are now threatened, take place; and I earnestly hope that so important a consideration may be deemed by your Excellency a sufficient reason for ordering some measures to be taken before the close of the season, to secure the Bridges in question. I am informed that forty or fifty pounds will be sufficient for the purpose—a sum certainly very trifling when compared with the object at stake; for I beg to explain to your Excellency that all the public correspondence between His Majesty's Government in England and the Canada passes by this route, and that the loss of a single night at one of the Rivers alluded to, by preventing a junction of the Coarriers at Fredericton on the proper day, will inevitably cause a delay of the Mail a whole week, and thus (probably) by missing a Packet, make the difference of a month in our communication with Europe. Respectfully submitting this matter, I have the honor to be, "Your Excellency's most obedient, humble servant," "T. W. STAYNER, D. P. M."

"ARCHIBALD CAMPBELL."

"THE Lieutenant Governor directs to be laid before the House of Assembly two letters from the Commissioners who had the charge of the house hired for the use of the Lieutenant Governor at Saint John, by which it appears that a balance of eighty pounds remains unpaid on account of that house, and for which suits have been commenced against the Commissioners. The Lieutenant Governor, therefore, recommends this subject to the consideration of the House of Assembly, and that provision be made for the relief of the commissioners."

"THE Lieutenant Governor directs to be laid before the House of Assembly, an extract of a Despatch from Lord Goderich, on the subject of appointment of a Master of the Rolls in this Province; an appointment which, in the opinion of the Lieutenant Governor, would be attended with important advantages to His Majesty's subjects in the administration of Justice, and he therefore recommends it to the consideration of the House."

Extract of a Despatch from Lord Viscount Goderich, dated "DOWNING STREET, LONDON, 2d Sept. 1831."

"SIR,

"I have to acknowledge the receipt of Mr. President Black's Despatch No. 50, of the 3d August last, pointing out the great inconvenience which is found to arise in New-Brunswick, from the Governor or Officer administering the Government, being required by His Majesty's Commission to execute the functions of Chancellor of the Province, and recommending that some fit and proper person should be selected as master of the Rolls, to perform the important duties of that office. Mr. Black further submits the name of a gentleman whom he considers highly qualified to fill this appointment."

"I am fully aware of the inconsistency of investing the Governor or Officer administering the Government with the functions of an office, the duties of which he is obliged to delegate to the Judges, whose time must be sufficiently occupied by their judicial employment; but before any steps can be taken, it will be necessary to ascertain in what manner the expenses of such an appointment are to be paid: If the Legislature of the Province are prepared to make a permanent provision for such a charge, it would prove a great source of gratification to His Majesty, were he enabled to carry into effect an arrangement which would conduce to the welfare of his faithful subjects in New-Brunswick. I have the honor to be, &c."

(Signed) "GODERICH."

"Major General Sir ARCHIBALD CAMPBELL, G. C. B. &c. &c. &c."

Mr. S. Humbert gave notice that he should, on Wednesday next, submit a Resolution for an address of thanks from this House, to His Excellency Major General Sir Howard Douglas, Baronet, for the eminent services rendered by the Province since his arrival in Great Britain."

Ordered, That the said Petition be received, and referred to the Committee of Trade.

Mr. Chandler moved for leave to bring in a Bill relating to Wills, Legacies, Executors, and Administrators, and for the settlement and distribution of the Estate of Intestates.

Leave granted.

The said Bill being brought in, was read a first time.

Friday, 3d February, 1832.

Mr. Kinnear, by leave, presented a Petition from Alexander Pidler, of the City of Saint John, Surgeon, in charge of the Alms House at that place, praying remuneration for extra services bestowed by him on distressed Emigrants in the said City during the last year; which he read.

Ordered, That the said Petition be received, and referred to the Committee of Supply.

Mr. Chandler, by leave, presented a Petition from the Reverend George Coster, and six others, Clergymen of the Church of England, which was read; setting forth:—That the Petitioners have seen in the Journals of the House that there is a Bill at this time under consideration of the House, to extend the privilege of solemnizing Marriage to ordained and settled Ministers of the Gospel of dissenting Congregations in this Province and beg to assure the House that they have not the desire, even if they had the power, to place an impediment in the way of this proposed extension, but that they are most desirous that clauses should be introduced into the said Bill, by means of which a pernicious practice, very prevalent in some parts of the Province, may be effectually prevented for the future, and the evils already produced by it, as far as possible, repaired, viz: the celebration of Marriage without a due and sufficient previous publication of the intention of the parties to contract it; that with a view to prevent Marriages which are clandestine or illegal, or null and void, by reason of the absence of some essential formality, (which they know, and are prepared to prove have been scandalously frequent,) and praying that it may be enacted, that in all cases of Marriage, where in Licence under the hand and seal of the Commander in Chief shall not issue, whether to be solemnized by a clergyman of the Church of England, a Minister of the Reformed Scotland, a Priest of the Church of Rome, or an ordained and settled Minister of the Gospel of a dissenting congregation, such as a previous publica-

tion, as is prescribed by the law of the Province and the Rubric of the Church, be invariably made on three succeeding Sundays, in the hearing of the assembled congregation, and immediately before the solemnization, or if by a commissioned Magistrate, that such notification as the law permits, be bona fide exhibited for the space of three weeks previously, as the law directs; and that a certificate of such publication or notification, setting forth the days on which, and the place at which it was made or exhibited, signed by the party making it, and attested by two or more competent witnesses, be filed with the certificate of the Marriage required by law. And they submit, that as many Marriages have been heretofore solemnized which they have good authority for affirming to be not only voidable but absolutely void, and mere nullities, it may be expedient that a clause should be added which may legalize all existing Marriages, by whom and in what manner soever celebrated.

Ordered, That the said Petition be received, and lie on the Table.

Read a third time as engrossed, and passed the following Bills:—

A Bill to amend an Act, intituled "An Act to repeal all the Laws now in force relating to the establishment, regulation, and improvement of the Great Roads of communication through the Province, and to make more effectual provision for the same."

A Bill more effectually to provide for the support of a Nightly Watch in, and for lighting the City of Saint John.

A Bill to incorporate sundry persons being of the Protestant profession of worship, in communion with the Church of Scotland, by the name of "the Trustees of Saint Paul's Church in the Town of Fredericton," and for other purposes.

A Bill to enable the Justices of the General Sessions of the Peace for the several Counties in this Province, and the Mayor, Aldermen, and Commonalty of the City of Saint John, to make Laws and Regulations for more effectually preventing certain nuisances from time to time committed within their respective jurisdictions.

A Bill to empower the owners of the Saw Mill at the Rolling Dam, on the Digbyquash River, in the County of Charlotte, to erect a Boom for the securing of Saw Logs on the said River.

When the following was moved as a second Section to the said Bill, to pass by way of Rider:—

II. And be it further enacted, That this Act shall continue and be in force for two years."

A Bill to authorize and empower the Grand Inquest of the County of Charlotte, to audit and examine the accounts of said County.
