CROWN LAND OFFICE,

FREDERICTON, 13th Nov. 1831.
THE irregularities and collisions occasioned by many Lumbering parties proceeding to the woods and commencing to work as soon as they have filed an application, are becoming so frequent as to render it necessary to re-publish, for the information of all concerned, the Regulations which have been established, and to call their attention most particularly to the Fourth Article of those Regulations, which will be rigidly adhered to; at the same time every facility and protection will be afforded to those who proceed regularly with their applications, payments, &c.; and every application for a survey will receive the earliest attention.

JOHN A. BECKWITH,

Act'g Com'r C. Lands.

1st. The applicant must direct his Petition to the Lieutenant Governor, and state his place of residence; that he is a British Subject and a Freeholder in the Province, unconnected with any alien in the object of his Petition; that he will conform to the regulations; that the Timber will be cut by himself and persons in his employ, or by himself and partners, British subjects, (as the case may be); and he must state the mark he intends using, and make oath to the truth of his statement before a Magistrate.

2d. The Fee of Office (forty-five shillings), must be paid on presenting the application, and the residue of the Tonnage within three months thereafter, otherwise the fees will be forfeited, and the liens open for application.

All Timber and Logs found without the Mark mentioned in the Licence shall be seized, and any person having a Licence and being found in possession of more Timber marked with his mark than is expressed in his Licence, the whole will be seized, and the offender prosecuted, unless he shall make it appear that it was cut on private property.
