CROWN LAND OFFICE.
FREDERICTON, 18th Nov. 1831.

THE irregularities and collisions occasioned by many Lumbering parties proceeding to the woods and commencing to work as soon as they have filed an application, are becoming so frequent as to render it necessary to re-publish, for the information of all concerned, the Regulations which have been established, and to call their attention most particularly to the Fourth Article of those Regulations, which will be rigidly adhered to; at the same time every facility and protection will be afforded to those who proceed regularly with their applications, payments, &c.; and every application for a survey will receive the earliest attention.

JOHN A. BECKWITH,
Act'g Com'r C. Lands.

REGULATIONS
To be observed by persons obtaining Timber Licences.

1st. The applicant must direct his Petition to the Lieutenant Governor, and state his place of residence; that he is a British Subject and a Freeholder in the Province, unconnected with any alien in the object of his Petition; that he will conform to the regulations; and that the Timber will be cut by himself and persons in his employ, or by himself and partners, British subjects, (as the case may be); and he must state the mark he intends using, and make oath to the truth of his statement before a Magistrate.

2d. The Fees of Office (forty five shillings), must be paid on presenting the application, and the residue of the Tonnage within three months thereafter, otherwise the fees will be forfeited, and the births open for application.

3d. In lieu of the Fees heretofore paid for the Survey of the ground applied for, the sum of three pence per ton on Timber, and sixpence per thousand on superficial feet on sawed Lumber, will be required with the tonnage, to meet the expense of the Survey; and in estimating the quantity of boards to be paid for, three Pine Logs of eighteen feet in length will be reckoned to the thousand.

4th. No Timber or Logs shall be cut before the Licence has issued, and the boundaries of the Birth are defined, and all the Timber or Logs cut contrary to this Regulation will be seized, and the offenders will in addition be prosecuted without discrimination for trespass and intrusion on the Crown Lands.

5th. All Timber and Logs found without the Mark mentioned in the Licence shall be seized, and any person having a Licence and being found in possession of more Timber marked with his mark than is expressed in his Licence, the whole will be seized and the offender prosecuted, unless he shall make it appear that it was cut on private property.

6th. The party will be required to mark on each stick of Timber its number and contents, and to keep a Register of the same in the Camp, for the information of the Officer, and any stick found without such number and mark will be liable to seizure.

7th. The mark indorsed on the Licence must be distinctly placed within triangles on three sides of the stick, near both ends, and all private marks must be placed near the centre of the stick.
