engage, through the medium of their brokers, in this desperate and unequal game. It would obviously be wholly impossible to show in detail the effects of the place and business of which we have here given a true but bare outline, acting as it does so extensively, and on so large a number of persons.

over, however, the large class of persons who rance in the government of Plosk.

It will readily be conceived, that the men who are devoted to so peculiar and engrossing a pursuit, are distinguishable from other classes of the community, and even from those with whom nominally, as men of business, they are apparently intermingled; they have, in fact, not the slightest pretentions to the character of men of business, and have no more direct connexion with men than the members of the Jockey Club or of the hetting-room at Newmarket. The. phrase of good or bad times applies not at all to them, or in a sense directly opposite to its "sual application; all they want is fluctuation (in the price of stock ; and, consequently, times of storm and disaster are to them, as to birds of prey or Cornish wreckers; times of activity and harvest; they are, therefore, a separate and distinct class, and have, as might be expected, peculiarities of character, and manner, and Some persons indeed, who affect,
