GEO. FRED. STREET,
Register of the College,
Fredericton, 2d April, 1833.

PROSPECTUS OF A WEEKLY NEWSPAPER, TO BE PUBLISHED AT FREDERICTON, AND CALLED THE WATCHMAN.

"Constitutional Rights."

THE want of a LIBERAL NEWSPAPER PRESS at the Seat of Government in this Province, has for a long time been generally lamented; and to supply that want, "THE WATCHMAN" is about being issued.

As the principles of THE WATCHMAN are intended to be purely and truly liberal, all radicalism shall be avoided; and while the discussion of any subject connected with the interest of the Country, will readily find a place in its columns, every thing like personal invective and scurrility shall be rejected.

Native Talent shall meet with especial encouragement; and the essays of Youthful Genius will be gratefully received, and kindly treated.

THE WATCHMAN shall never slumber or sleep. "Constitutional Rights" being its motto, any measure of Government whereby those rights may be invaded, shall be vigorously opposed; and expediency alone shall induce THE WATCHMAN to sanction an innovation.

Official oppression shall be exposed, and all the secret springs of Government shall be closely inspected. A narrow watch shall be kept upon Public Men and Public Measures: the former shall receive censure or commendation as they may deserve, and the latter shall be fearlessly and independently discussed.

Every endeavour will be used to give a fair and impartial report of Legislative Debates and Proceedings; and the individual improvement or deterioration of our Representatives shall be noted after each Session.

Increasing attention shall be paid to the Political and Physical Geography of the Province in general, and of the County of York in particular; and every endeavour shall be made to discover to the world, in a true light, the capabilities of the Country.

The Agricultural interest of the province shall be attended to, and a portion of THE WATCHMAN shall always be set apart exclusively for that very important subject.

From the numerous and respectable pledges which have been made to the Proprietor, he can assure the Public that the "Organ" Department will be constantly well supplied with communications on varied and important subjects.

The Proprietor asks for a trial—and he flatters himself the decision of an enlightened Public will be favorable.

TERMS.—THE WATCHMAN will be printed on a Royal Sheet and published every Monday, and delivered to Subscribers in town for 12s. 6d per annum.—To those who reside at a distance, whose papers are forwarded by mail, the price will be 15s. which includes the postage.—Payable half yearly in advance.

The first Number will be issued on the second Monday in May next.
