The accounts from the East Indies, received at the India House are of a most discouraging complexion, the genius of reform and revolution appears to have cast a hlighting look upon that portion of the British dominions in communion with its sister western hemisphere. A conspiracy had been discovered at Barrackpore among the troops, the object of which was to cut off and destroy the 62d regiment. Several of the leading conspirators had been blown to atoms from the cannon's mouth, a great number imprisoned, and many dismissed to their

Mr. EDITOR,

I lately saw in some files of a highly onthodox Journal published in Canada (the Christian Sentinel) a very interesting Obituary Notice of the late Rev. Ordnance, until Friday the 21st instant, from Fredericton, and of the ajacent Country. Dr. Millidge, of Annapolis. Having had the pleasure of intimate acquaintance with that learned and pions Clergyman, I felt particular gratification in reading such just commendation of him in a paper published at so great a distance from the scene of his usefulness.

Though the price alluded to appeared in the Christian Sentinel some two years ago, I think I never saw it in any of the news papers of this Province, and I therefore quences. In the morning the gale and sea ra- beg you to republish it in your useful Jour- CONTRACT FOR REPAIRING BARRACK
