NEW ESTABLISHMENT. GENTEEL BOARD AND LODGING! THANKE Subscriber most respectfully begs leave to inform the public, that he has opened an

leged charge to which their publications would be fiable, and the statement, that their prospects and expectations are thereby almost entirely destroy- ed, must be unfounded. As Newspapers in the Colonies are not liable to any Stamp Duty to give them a claim to a free conveyance by Post. if the Parties do not think proper to submit to this very moderate charge for their being forwarded, they can only pass at the full rates of Postage, as Letters ; and supposing the two papers to be published weekly, the pre- sent charge of Two Shillings and Six-peuce per number is actually less than the rate of Postage on American Papers in the United States.	<ul> <li>taken under and by virtue of an Execution issued out of the Supreme Court at the suit of George Minchin, Esquice.</li> <li>E.
